

# **MANNING HAUSBARN-HERITAGE PARK HAPPENINGS**

In August and September, 2018

I'm sending you two months this time because I have let a half month go by with no information. Denise sends these out to Chamber members so that you know what we're doing out here. Some of the visitors to the Park go uptown and it's important that you can take advantage of that. Sorry this one is late!

If you have any questions, call 655-3131 we will get you an answer.
