

December 2018

Dear Community Citizens:

Necessary and exciting preparations for the Manning Hillside Splash have taken place the past year.

- + Architectural drawings have been finalized.
- + Engineering details have been considered.
- + The City Council has agreed to provide up to \$400,000 in financial support.
- + Manning Utilities has contributed \$50,000 toward initial costs.
- + Thirty community businesses and citizens have contributed and pledged \$40,000
- + City council, staff, and the Splash Fundraising committee have met to finalize the project and campaign.

Once again the “can do” spirit of Manning has been evident. Thank you!

Your generous donations and pledges (over three years) will make the Hillside SPLASH a reality. \$500,000 is needed to aggressively move into Phase 1. Phase 1 would include the construction of the zero entry pool, maintenance room and all engineering work for the subsequent phases of the water slides and splash pad. With your generous and broad support grading and other preliminary work would begin in 2019 and completion of Phase 1 could happen in 2020.

Manning Hillside Splash renderings are displayed in City Hall. The Hillside Splash committee, who consist of Jodi Ramsey, Doug Greving, Anna Irlbeck, Bob Riggert, Rachel Merkel, Kasie Sanford, Gina Carroll and Angel Mundt, can provide additional information. Donations and pledges can be left at City Hall.

The Hillside Splash Fundraising Committee appreciates every donation. For the opportunity for lead gifts and “Splash” wave recognition (illustration on the back) please contact City Hall or Splash Fundraising chairperson Jodi Ramsey.

Relive that experience again and make a Splash as you Jump in!

I/We wish to:

- DONATE NOW** Please find my enclosed check for \$ _____.
- MAKE A PLEDGE** I pledge the amount of \$ _____ over the the next ____ months

Consider one of the following commitment levels:

- Splash** \$1,000 - <\$2,500
- Slide** \$5,000 - <\$10,000
- Wave** \$2,500 - <\$5,000
