F.F.A. ENTERS CONTEST

For several weeks four F.F.A. boys have been preparing for the local public speaking contest held in front of the general assembly Friday, February 10 at 11:30.

Allen Jensen spoke on "Soil Erosion," Wilbur Jahn on "Saving Baby Pigs," Charles Frank on "Brood Sow Management", and **Pete Petersen on "Raising Beef Cattle"**.

Charles Frank placed first and will represent this chapter at the district F.F.A. contest to be held at a later designated date.

The Parliamentary Team also gave a demonstration on various steps in parliamentary drill. Those participating were Norman Andresen, Myron Bogatzke, LeRoy Dammann, Robert Grundmeier, Allen Jensen and Russell Spies.

Gene Dales spoke to the group in extemporaneous manner. He was given a topic 20 minutes before making the speech on "Caring for Dairy Cattle." By Leland Kienast.

QUESTION OF THE WEEK

If you could travel to any foreign country, where would you choose to go? Why?
Donna Strathman I think I would like to go to Brazil because it's warm, and I like Brazilian music.

LaVonne Hargens: In "Meet the Senior" it stated that I would like to go to Europe after graduation. That wasn't entirely true, but now that I think of it I would like to go there, and see how conditions really are. Just curious, I guess.

Don Pfannkuch: I think that I would like to go to Alaska because it would be interesting to see how the people live and I would like to go fishing there.

Bob Hansen: Alaska, I think maybe I'd like to live there, no particular reason.

Dick Mincey: France, I'd like to spend an "Evening in Paris." (get it?)

Marilyn Popp: If I could travel anywhere in the world, I would pick the area around the Mediterranean Sea. This area is of interest to me because it contains perhaps the earliest traces of civilization as well as being the site of the Early Greek and Roman Empires. The ruins of ancient buildings are especially interesting to me.

TEEN CHATTER

Mother says to son: "Georgie, I wish you'd be a good little boy."

Georgie: "I'll be good for a nickel."

Mother: "The idea! Why can't you be like your father, good for nothing."

Father: "When Abe Lincoln was your age, he was making his own living."

Son: "Yes, and when he was your age he was president."

Use Lumpo Soap. Doesn't lather. Doesn't bubble. Doesn't clean. Just company in the tub.

Kenny Graves: "Will your mother hit the roof when you get home?"

Marlene Nulle: "She probably will. She's a pretty bad shot?"

"I'm gonna sneeze." At who?" "Atchoo!"

Visitor: I never saw so many flies. Don't you ever shoo them?

Old man: No, we just let them go barefooted.

Allen Jones: The skunk is a very useful animal. We get fur from him."

Lois Struve: "I'll say we do. We get as fur from him as possible."

Russell Spies: "How dija like school?"

Pat Kasperbauer: "Closed."

Rose Anne Muhlbauer: "My, I'm hungry."

Dean Vollstedt: Why? What did you have for dinner?"

Rose Anne: "Company."

Moral

The bride, white of hair, stoops over her cane,
Her footsteps, uncertain, need guiding,
While down the church aisle, with a wan, toothless smile,
The groom in a wheel chair comes, riding.
And who is the elderly couple, thus wed?
You'll find when you've closely explored it,
That here is that rare, most conservative pair
Who waited 'til they could afford it.

F.F.A. WINS HONORS

The Manning high school F.F.A. members made sure that their alarm clocks were wound last Friday evening, March 31; but their reason wasn't their chores the next morning. They went to Atlantic to the F.F.A. district contest.

The boys represented the Manning F.F.A. chapter in eight entries. Three books, the reporter's scrapbook, the secretary's book and the treasurer's book, were entered by Russell Spies, Leland Kienast and Robert Tank, respectively. All

three of these books received number I ratings. Manning was represented in the freshmen creed speaking contest by Wilbur Jahn who recited the F.F.A. creed. "Are We as Strong as We Think?" was the topic given by Pete Petersen in the public speaking department, and in extemporaneous speaking, Gene Dales was given the subject, "Efficiency of Farm Livestock" to speak on for five minutes, followed by five minutes of questions. In these speech contests, Wilbur Jahn and Pete Petersen won number III ratings, and Gene Dales received a number I rating.

Are you interested in learning how to conduct a business meeting? Ask Allen Jensen, Leon Hugeback, Russell spies, Myron Bogatzke, LeRoy Dammann, Robert Grundmeier and Norman Andresen about this technique. These seven boys composed Manning's parliamentary procedure team and won a number I rating. Robert Tank and Donald Pfannkuch represented Manning in the chapter program department by showing and explaining a movie on the F. F. A. program. These two fellows were also rewarded with a number I rating.

All of the entries receiving a number I rating are eligible to compete in the state contest which will be held in Cedar Rapids. Good luck, fellows!

MEET THE SENIOR

Meet Norbert Sextro of our senior class. He is 6' 1/4" tall, has blue eyes and blonde hair. Norbert is taking the agricultural course and it is also his favorite subject. He says, "Agriculture teaches me the things that I have to know in later life." He has no special hobby. Norbert enjoyed the football banquet the most of all of the extra curricular activities sponsored this year. Football is also his favorite sport because he is of the opinion it teaches you more sportsmanship and teamwork than any other sport. As yet, Norbert has no definite plans for graduation, but we wish you the best of luck in everything, Norbert.

MEET OUR TEACHERS

Say "hello" to our science and mathematics teacher, George Triplett. He was graduated from high school at Henderson, Iowa. He has attended Iowa State College, Red Oak Junior college and Iowa State Teachers college where he majored in science and mathematics and was also graduated.

Mr. Triplett's favorite recreational activities include hunting, reading and traveling. He was in the army in 1945 and 1946 during which time he traveled to the Philippine Islands and Japan. In these far away places, he was impressed by the homes, war devastation, and the water buffalo in the rice fields.

Mr. Triplett teaches general science, biology, physics and freshman general mathematics. His students are especially impressed by his scientific attitude and are grateful to him for his willingness to help at all times. His friendly personality is making his classes pleasant to all his students, who sincerely hope he will return next year.

Senior Girls Tell of Omaha Trip

Had you been at the Milwaukee depot Thursday morning at 5 o'clock, you would have found eleven girls and Miss Marie Perkins patiently waiting for the train to take them to Omaha. At 5:30, the train arrived and all were on their way. At 8:45, the train ride was over and the next thing looked for were taxis. It seems that the

taxi in which Margie Kienapfel was riding was giving the girls a pretty fast ride, dashing in and out of cars, when Margie rather surprised and nervous, asked Ardella Frahm, "Don't they have a speed limit here?"

From the station, the destination was the Regis Hotel where breakfast was eaten. Some of the girls were quite surprised when they found they only got one waffle for thirty cents.

After everyone recovered from the shock of the expensive breakfast, the Mutual Benefit Insurance Company building was the next place of interest. A street car was to be taken but which one? As one stopped, Miss Perkins inquired to find out if it would take us there; the driver didn't exactly like the question, neither did the traffic, for while she was talking all eleven girls were right behind her blocking traffic while the street light turned from red to green to red. Finally everyone was on the street car and on their way. It was at this time Beverly Ruhde tried to get on without paying, but didn't get the job done for after she just started back the conductor called her back to "pay her fare."

The first impression of the insurance building was very impressive. Upon arrival, Bill Enenbach met us and served as our guide through the building. The tour had only started when the girls were asked to return to the first floor. The reason for this was that the World Herald learned of our visit and wanted to take some pictures. Marilyn Popp, Marlyn Gruhn, Marjorie Rowedder, and Phyllis Musfeldt were chosen. All afternoon, everyone was buying the latest edition of the World Herald to see the pictures and write up, but it was never found. It was later decided that that was only a plot to sell a lot of papers.

The excursion was then continued. All of the different departments were shown and explained. A few of these departments were the indexing, filing, accounting, underwriting, stenographic, policy writers, conservation, collection, actuary, investment, photostat, library, and also the health department. This department is on the first floor and it serves as a hospital for employees.

EDITORIAL

Welcome, sophomores. We remember the day way back when our class, one of the greenest groups ever to seek higher knowledge, entered high school.

Although you might have found those first few weeks a bit dull and dreary, you will soon make up for your lost fun as you get acquainted with your schedule.

There is only one thing about it and that is you have now become ladies and gentlemen!!! After your experiences have been broadened, you will find out that this isn't so bad. Instead of saying, "We welcome you freshmen," we'll be more grown up about it and say, "Hats off to the class of 1952!"

Student Council Meets First Time

The first meeting of the 1949-50 student council was held Thursday morning after election of representatives from the sophomore, junior, and senior classes.

The purpose of this organization is to make it possible for the students to plan the activities and to bring a closer relationship between the students and the faculty.

The following members were chosen from their respective classes: Sophomores: Russell Spies and Lois Struve; Juniors: Stanley Frahm and Marlene Kroeger; Seniors: Marlyn Gruhn, Phyllis Musfeldt and Dean Vollstedt.

Carryovers from last year's student council are Joann Wilhelm, junior, and Sue Ann Clark, senior. Mr. George Triplett is the faculty representative and Miss Marie Perkins also attends the meetings.

The following officers were elected at the meeting: President, Sue Ann Clark; vice president, Joann Wilhelm; secretary-treasurer, Russell Spies.

The student council has decided to hold a meeting every Tuesday at 12:50 p.m. Other meetings will be called when special business is brought forth.

FFA Greenhands Are Initiated

The Manning Chapter of Future Farmers held monthly meeting for the purpose of initiating the Greenhands. The following business matters were conducted: It was decided that the turkey raffle will be held again this year, the parent and teacher banquet will be held this year, and there were five members chosen to be candidates for the district meeting at Atlantic. They are Donald Pfannkuch, Leland Kienast, Allen Joens, Dean Stribe and Allen Vennink. Mr. Schnirring will lead a half hour discussion. The things that will be discussed there will be on leadership.

Later we had the initiation of the Greenhands. They were Glen Branning, Daryl Genzen, Roger Hansen, Wilbur Jahn, Dareld Kracht, Roland Meeves, Jack Mohr, **Pete Petersen**, Lewis Puck, Glenn Singsank, Melvin Sinow, Norbert Stoberl, Merlene Thompson and Allen Vennink. After the ceremony all were invited to the agriculture room to see picture show on dairying.

QUESTION OF TEE WEEK:

Should the drivers' training course students receive credits for their work as in any other high school course?

Miss Hamann: I certainly think that it is a good thing. It is incentive for young people and encourages them to be better citizens.

Richard Zerwas: Yes, credits would encourage more students to take the course. What good is an education after you have gone out on the highway and killed or injured yourself in a car?

Margie Kienapfel: No, because no period is set aside for it during the day. Everyone must take the other course offered in school, but you don't have to take the drivers' training course unless you prefer to take it, so I don't think the students should receive credits.

Richard Mincey: No, because we are unable to have a regular class period for the course. It is really just a course for your own good.

DRIBBLES

Don't worry if your job is small

And your rewards are few;

Remember that the mighty oak was once a nut like you.

Social tact is making your company feel at home, even though sometimes you wish they were:

Time marches us "Tho' they had never met B4

What cause had she 2 care

She loved him 10derly, because He was a 1,000,000 aire.

Miss Myra Hamann: "What do you know about Atlas?"

Merlin Nulle: He was the world's greatest gangster."

Miss Hamann: "Gangster?

Where did you get that idea?" Merlin Nulle: "The history book says he held up the world."

Mrs. Hansen: "Bob, I thought I told you never to do anything to your brother unless you counted to fifty first, and here I find you holding him a closet."

Bob: "I am counting to fifty, but I want to know where he is when I finish."

Some sports are like shoes. The cheapest one squeaks the most loudly.

ADVICE TO BOYS: Running after women never hurt anybody - it's the catching them that does the damage.

Russell Spies: Can you fight?" Arthur Kruse: "No."

Russell Spies: "Come on then, you scoundrel."

The way to have a friend is to be one.

Two New Kitchens Make Six Units

Two new kitchens were installed in the homemaking rooms this summer. There are now six kitchens fully installed with stoves, sinks, cupboards and work tables.

The 23 girls in the sophomore class have been canning peaches, pears, and tomatoes. Thursday, a lady demonstrated the use of cosmetics to them.

The girls plan to sew the rest of the first semester and cook the second semester. Mrs. Christine Sanders, the homemaking teacher, has purchased material which the girls will sew to make curtains.

In the afternoons, of last week, groups of women canned peaches and pears in the homemaking rooms. These are to be used for the hot lunches.

List 20 Students In Driver's Course

The drivers training class had its first meeting Thursday, September 15. A test, which was a sample of the one given to obtain a drivers permit, was taken. The examination for the driver's permits will be taken Thursday, September 22 if a patrolman will come at that time.

Over 3,000 fans were given a full evening of entertainment at the annual football jamboree at Carroll Tuesday evening. After a colorful program by participating bands each team played one quarter of the football game.

The first quarter was played between Scranton and Audubon which gave the odds a lead of 6-0. Then Coon Rapids scored a safety against Bayard. The third quarter Lake City scored against Manilla making it 8-6 in favor of the evens. Glidden and Manning played the final quarter without scoring.

New Pep Squad Students Initiated

New members of the Pep Squad were initiated Thursday evening, September 22, in the high school gymnasium.

Those Initiated were Genelle Kruse, Lois Struve, Marlene Nulle, Sharon Ochsner, Adele Gray, Mardell Bonnesen, Gay Hockett, Joanne Lamp, Marlene Horbach, Claudia Anderson, Florence Hammer, Rosemary Bock, Cheral Andresen, Ruth Wellendorf, Phyllis Genzen, Louise Mohr, Ruth Schmidt, Joyce Stuhr, Pat Kasperbauer, Verna Swank, Lois Nissen, Zita Ress, and Waldean Jackson.

A part of the initiation took place during the day. The girls initiated had to come to school wearing boys' clothes backwards, a man's handkerchief around their neck, their hair up in pin curls with no scarf covering it, two kinds of anklets inside out, the oldest shoes they owned, cold cream on their faces, and no makeup.

At 6 o'clock a potluck supper was held in the gym, which was followed by a scavenger hunt, then the pledge and the Loyalty was given to those Initiated.

Following this, everyone had to find their shoes, which were hidden during the pledge.

The evening was closed with the new members cleaning the gym.

SPORTSMANSHIP

Webster defines sportsmanship as "graceful acceptance of results in any game or sport." This is the time of year when we all don a few warmer clothes and yell out our lungs at those thrilling football games.

Yes, that quarterback on this year's team may be the swiftest runner we've ever had, or that new tackle, Paul, may know just exactly how to down his opponent

every time. Of course we think our team is super! We wouldn't even bother to come to the games if we didn't feel loyalty and admiration for the fellows who give us such sporting fun.

But how do we react when we notice that the scoreboard says zero for us and 25 or 26 for our opponents, and Paul just can't seem to bring that big fellow down? Is it time to criticize this boy or that one on the opponents' team saying, "He gives an extra punch to one of our boys whenever he can sneak it in." Do we have the right to remark, "Why, I could referee a game more fairly than those two ignorant referees!" And are we showing loyalty by even turning against our own players? Webster would certainly stare at us if we acted in any of these ways and still believed ourselves to possess good sportsmanship! Surely, we aren't accepting the results gracefully by making sarcastic remarks! In the meantime, others are lowering their opinions of us as good sports.

Let's make the most of these games and really enjoy ourselves! We are not only doing others a favor but also ourselves because sportsmanship is a quality needed by all young men and women in the world today. Show the fellows on our team that we'll cheer them to the end!

MEET THE SENIORS

Meet Dean Stribe, a 5'11" senior with brown hair and blue eyes. Dean is taking the agricultural course, and his favorite subject is physics. Dean says, Physics is very interesting and educational, and a person uses some sort of physics every day of his life."

Dean, who plays left halfback on the football, team, says that football is his favorite sport because it teaches good sportsmanship, courtesy, and respect for with fellow team members and play to the best of ones ability at all times.

After graduation Dean plans on going to college or farming. The best of luck to you, Dean!

LaVonne Hargens, better known as "Gabby," is a blond 5'10" senior this year. She is taking the general course. Gabby says that speech is her favorite subject because talking is her hobby. She is also very much Interested in music and plays clarinet in the band.

Basketball is her favorite sport because it is so much easier to keep track of the ball than in football and some other sports, and the boys all know that it takes good team work which always makes the game more interesting.

Gabby says, "After I graduate, I want to travel in the western part of the United States and maybe later over In Europe." Good luck, Gabby!

Manilla Downs Junior High 7-6

Manilla junior high defeated Manning junior high, 7-6 at Manilla, Monday night. Manning got their only tally on a pass from Wingrove to Martens which was good for about 40 yards and a touchdown. Manilla got their only score when Vrana went around end from about the three yard line for the touchdown. For the extra point Vrana again went around end.

Starting lineup for Manning was Gene Kuhl, left end; Merlin Ramsey, left tackle; Lowell Stribe, left guard; Richard Rix, center; Norbert Stoberl, right guard; **Pete Petersen, right tackle**; Gene Martens, right end. In the backfield it was Claus

Bunz, fullback; Donald Lerssen, and James Wingrove at halfback, and Roger Vollstedt at quarterback.

Lake City Downs Manning 24-7

After chalking up an 18-0 halftime lead the Lake City Eagles went on to win a Coon Valley conference game Friday in what will probably be one of the roughest games of the season.

It wasn't until the second half that Manning threatened to score when in the third quarter a pass from Deanes Rowedder to Allen Joens was good for Manning's only touchdown. Bob Genzen plunged over for the extra point. Dean Stribe and Bob Genzen also made nice gains in running the ball the last half.

Lake City intercepted a Manning pass in the last quarter for their final touchdown.

Except for a few bruises, Manning received no injuries.

Students Hear About College

On Tuesday, September 20, the seniors heard an interesting talk by Robert Martin, who is admissions counselor at Drake University in Des Moines. Mr. Martin spoke of the reasons that high school graduates have for going to college and then went on to explain why Drake university would be a good choice. The seniors also saw many of the highlights of Drake university life in a movie that Mr. Martin brought with him. After the movie the students were given pamphlets explaining courses of study available at Drake.

WEEKLY PUZZLE

What has feet but never walks? (A tape measure)

BAND AT JAMBOREE

Manning's blue and grey uniforms were among the seven bands that brightened the field at the Coon Valley Jamboree. Manning's band came after six other groups in colorful dress had gone through their snappy maneuvers.

The local group was given the honor of performing the finale to the band activities before football began.

The band came on the field in a single line from which they broke up into formation. As the field lights were turned out, red, white and blue cap lights appeared which went uniformly into the letters USA. "America" was played while the lights were off and when the field was illuminated once again a large American flag was on the field supported by the junior band.

All bands united in the "Star Spangled Banner" as a fitting climax to a grand performance.

DRIBBLES

Six rules for being popular in college:

1. Own a car.
2. Be a good conversationalist.
3. Own a car.
4. Own a car.
5. Present a good personal appearance.
6. Own a car.

Note: If car is a red convertible, rules two and five can be disregarded.

The room was quiet; the lamp was low.

The boy speaks "What are you thinking about, darling?"

The girl answers "The same thing you are, dear."

Then the boy "Hot dawg! I'll race ya to the ice box!"

The ladder of life is full of splinters, but they always pinch the hardest when we're sliding down.

A Long Island potato married an Idaho potato and eventually they had a little sweet potato. The little one flourished, and in due time announced that it wanted to marry Gabriel Heatter. "But you can't marry Gabriel Heatter," declared the parents. "He's just a commentator"

September 28, 1950 Spotlight Insurance Offered To Students Here

This year a low cost accident policy is being offered to all public school students. For 30c a grade child may be insured for the school year against accidents which occur while he is engaged in any school-sponsored activity. For an additional 45c a child may be insured for the school year against accidents occurring between home and school. The cost for junior high and high school students is \$1.00. The maximum indemnity payable is \$500.

The insurance for the grade school students is secured from the Iowa State Education Association and for the high school people from the Iowa High School Insurance company.

This insurance is being offered by the schools as a service and neither the schools or anyone connected with the school will profit from it. It is felt that students and their parents will benefit from this program.

Mr. Triplett Attends School of Instruction

There was a meeting at Atlantic on Thursday, September 21, of officers of the county councils for the southwest district of Iowa. George Triplett, local science instructor and vice-president of the Carroll county council, attended the all-day session. Purpose of the meeting was to discuss plans for this year's county council work.

Some of the topics discussed were: how the National Education association and Iowa State Educational association help the teachers, plans for discussing proposed school legislation with candidates for the Iowa legislature, plans for county association meetings.

The meeting lasted from 9:30 a.m. to 4:30 p.m., with a luncheon at noon.

Carroll Downs Manning Seconds

Carroll second team started their season Friday night by downing Manning 26 to 0. The Carroll team overpowered the Bulldogs to take a 20 point lead at the half. Carroll scored another touchdown the last half to complete the scoring, 26 to 0.

Drivers Training Students Get Permits

The drivers training class, under the instruction of Mr. Koester, has completed the study for their permits and on Thursday, September 21, everyone came through with flying colors by passing their written test.

On Tuesday or Wednesday the first group of students will get a good look at the new drivers training car as it arrived on Monday, September 25. Everyone is looking forward to driving as the majority of the class has never driven a car before, although a few have licenses, or had, at a previous date received a permit.

Voice and Posture Studied By Class

For the past week the speech students have been trying to improve their voice and standing posture. As each one gives his talk the other speech students write comments on the one speaking. The class will begin work on correct English the beginning of this week.

QUESTION OF THE WEEK

What Is Your Favorite Subject? Why?

Don Wegner: My favorite subject is drivers training. The students have just taken tests for learning permits. I think, it's a good course. I know I've learned a lot just the first few weeks, Things that are important and I didn't know.

Joann Rowedder: Typing, because I like to do typing for other teachers and it's different.

Pete Petersen: Agriculture, because you do something different every day, and you can use what you learn at home. It also helps you make some money.

Lois Fischer: I like all my subjects I'm taking. They will all help me in later life, I'm sure.

Marlene Kroeger: Shorthand, because it's a lot different than any other subject I have ever taken.

TEEN CHATTER

The young lawyer had just hung out his shingle and though business was absolutely nil, had told his stenographer to appear very busy, in case anyone should happen to come in. Presently, as a man walked into the office, the girl grabbed the telephone and carried on an animated conversation.

Replacing the receiver, she asked her visitor: "What can I do for you, sir?"

"If you please," replied the polite but puzzled man, "I've come to connect the telephone."

Apparently Uncle Sam's army has its saluting and other troubles, too. A recruit passed a captain without saluting. The captain stopped him.

"Take a look at me," he said. "Do you attach any special significance to this uniform?"

The new soldier looked him over, then grinned. "Why, you lucky dog," he exclaimed, "You've got one that fits."

The children had all been photographed and the teacher was trying to persuade them each to buy a copy of the group picture.

"Just think how nice it will be to look at it when you are all grown-up and say,

"There's Ruthie, she's married," or "That's Billy, he's a - sailor."

A small voice at the back of the room piped up, "And there's teacher; she's dead."

He: (at the movies): Can you see all right?

She: Yes.

He: Is there a draft on you?

She: No.

He: Seat comfortable?

She: Yes.

He: Mind changing, please?

A little boy came home from school with a terrible report card for January. "My goodness," said his mother when she saw it, "What happened?"

"Oh, nothing special," answered Billy. "You know how it is. Things are always marked down after the holidays."

Two elderly ladies were attending a football game. The team was getting muddy and wet, and one lady said, "This game is exciting, but how will they ever get clean?"

"Why," replied her companion, "I guess the scrub team does that."

Question of The Week

What do you consider an ideal girl?

Bob Genzen, Well, It is hard to put into words because there are so many different ones you think are for you. But one never knows, does one?

Dick Zerwas, I am still looking.

Roger Nielsen, I have already found my version of an "Ideal Girl."

Peter Petersen, I haven't decided yet.

Deanes Rowedder, A girl with good looks, good personality, and a Cadillac convertible.

Wilbur Jahn, I wouldn't have the slightest idea.

Allen Jensen, A girl with good looks, good personality, and I prefer "Blonde" hair.

BIG PEP MEETING

'Rah 'Rah! That's the big pep meeting that was held for the Manning-Denison game. Numerous yells were led by the cheerleaders, followed by a couple selections from the pep band. Joyce Stuhr spoke on behalf of the students and Roger Vollstedt for the team. There were more cheers and the pep meeting was ended with everyone singing the "Loyalty."

MEET THE SENIOR

Here is an active senior boy, Leonard Ramsey, known as "Link" to his friends. He stands 5 ft. 9 in. in height and has brown hair and blue eyes. He is taking a general course in high school, and says "Physics is my favorite subject, because of the interesting experiments; and it is something I'll use in later life." Leonard plays the position of fullback on the football team, and now plays guard position on the basketball team. Other extra curricular activities are track, baseball, and mixed chorus, in which he sings tenor. Leonard attended Hawkeye Boys' State last summer, and was attendant at the annual Christmas dance. His hobby is working on puzzles, and when asked about his favorite sport, Leonard said, "I like football the best, because it gives you a lot of exercise." He is undecided about his plans after graduation. Good luck, Leonard, in everything you do!

DENISON LOSES

The Manning Bulldogs won their first round sectional test over a fired up Denison crew. The Bulldogs overcame a 15-12 first quarter deficit to take a 29-19 lead at halftime. For the Bulldogs it was victory number 18 without a defeat. The victory enabled the Bulldogs to meet Dunlap in the class A finals. Roger Nielsen and Stan Frahm poured in 17 and 16 points respectively.

EDITORIAL

SPORTSMANSHIP

Sportsmanship is something everyone should have. It makes no difference what kind of sport you are partaking in or watching, you should always be a good sport.

To be a good sportsman you have to understand various kinds of sports. You have to maintain good conduct, involving honest rivalry, courteous relations, and a graceful acceptance of results.

Basketball is the main sport right now, so we will take it as an example.

Good conduct is very important. The way you behave and accept results determine what the rival thinks of you and your school. When someone boos the referees and calls them names, it shows little respect for the sport and yourself.

Accepting results is another important factor in sports. Whether the team you are rooting for wins or if the other team wins, always be able to accept the results.

Don't pick a fight or say the game was unfair, or say the referees were for the other side. Always accept the results with the thought in mind that the best team won.

WIN SECTIONAL

The Bulldogs eliminated Dunlap 70-37 in the class A finals of the sectional tournament at Denison. The Bulldogs led by quarter scores of 16-6, 36-13, 57-23, and 70-37. The victory made it 19 in a row for the Bulldogs. Stan Frahm paced the winners with 21 points.

IN MEMORY OF HUGO RESS

Members of the Spotlight Staff, the faculty, and student body of Manning High School would like at this time to pay special tribute to our recent high school graduate who gave his life fighting in the Korean War.

Hugo Ress, remembered by most of his friends and schoolmates as "Junior," was well liked by everyone. He graduated from Manning High School with the class of 1949. While in high school, "Junior" was one of the better football players and received many letters for outstanding football work.

Junior enlisted in the U.S. army in the summer following his graduation from high school. He served part of his time in service in the United States and in July of 1950 was sent to Okinawa. Shortly after he arrived in Okinawa, he was transferred to Korea. One day after he arrived in Korea he was reported "Missing in Action." His parents received this word in September, and in February, they received word he was declared dead.

May the memories of this soldier who gave his life for the freedom of the world long live in the hearts of everyone. By LaRae Weems.

Deanes says the things he likes to do best in his spare time are, "ride around and listen to the radio." Sports are the things he likes best to do in school, he says, because they are a lot of fun.

When asked the question, "If you had one wish, what would you most like to do?" he replied, "Go into some field of sports." And knowing Deanes as we all do, that won't be too hard for him. Good luck, Deanes!

TEEN CHATTER

David Muhlbauer said, "Dad, gimme a dime."

Mr. Muhlbauer replied, "Son, don't you think you're getting too big to be forever begging for dimes?"

David quickly replied, "I guess you're right, Dad. Gimme a dollar, willya?"

Miss Myra Hamann: "Now, will anyone tell me of anything new of importance that has happened during the last twenty-five years?"

Allen Joens: "Me."

Mrs. Rowedder: "Deanes, why did you put the frog in your sister's bed?"

Deanes: "I tried to find a mud turtle and couldn't."

"Manners is the noise you don't make when you're eating soup."

Raymond Christensen: "Dear, am I good enough for you?"

Adele Gray: "No, but you're too good for any other girl."

"Repeat the words the defendant used," said the lawyer.

"I'd rather not. They are not fit words to tell a gentleman."

"Then," said the attorney, "whisper them to the judge."

MEET THE SENIOR

Louise Mohr, known to her friends as "Mohr." Louise has light brown hair, dark eyes and is 5 feet 7 Inches tall. She is taking a general course. Louise's favorite subject is speech, which was a first semester course. She says it will help her to give talks and she has learned how to give good talks without being afraid to get up in front of people. Talking in front of people was never hard for Louise because she likes to talk a lot anyway.

Louise has been in pep squad for the last 3 years and is in G.A.A (Girls' Athletic Association).

Listening to the radio ranks high as one of Louise's many hobbies. Her favorite sport is basketball because she enjoys seeing a good basketball team and the spirit that they put into the game. She also enjoys cheering and yelling them on to victory. She is one of the many who would like to see the Manning team go to state this year.

Louise intends to stay and help her folks on the farm the first year after graduation and then get a job as clerk of some kind. We know you will be a success in whatever you chose to do Louise, so the best of luck to you!

Russell Spies, a 17 year old black haired, blue-eyed 6'1" senior, is the son of Mr. and Mrs. Alfred Spies. Russ, as he is known by his friends, is taking the agriculture courses and names physics as his favorite subject because it deals with things of interest in everyday life.

Russ has many extra curricular activities to his credit. He has been a member of the FFA organization for four years, and served as FFA reporter in his sophomore year, secretary in his Junior year and now in his senior year he heads the local chapter as its president. He entered FFA public speaking in 1950 and the same year was a member of the Parliamentary Procedure team. In 1951 he was a delegate to the National FFA convention.

Russ is the only MHS student who has been a member of the local student council for three consecutive years. He was delegate to the district student council convention in 1949 and again in 1951. In his sophomore year he served as secretary and now, in his senior year, he is president of this organization. As a sophomore, Russ was chosen as a waiter for the annual Junior-senior banquet. For the current school year he was appointed FFA reporter for the Spotlight and also for the Comet year book. As for sports, Russ was a member of

the FFA basketball team in his freshman and sophomore year, high school basketball in his Junior and senior year and track in his sophomore and Junior years. He was also a member of the Bulldog football sport this year. Besides his school work Russ has been active in 4-H club work for 7 years, having held the office of reporter, secretary and at present he is vice-president of the local club. Even though Russ is very busy, he still finds time to go hunting and trapping in his leisure time. Another favorite pastime of his is collecting pictures and autographs of famous athletes. Russ said his favorite sport is football because it teaches self-defense and taught him how to "protect my nose." Other things which rate as tops according to Russ are the song, "Dance Me Loose," and "Longing For You," the movie star, Doris Day; orchestra, Guy Lombardo, and his favorite food is sirloin steak. After graduation Russ would like to start farming or enlist in the United States Air Force. Regardless of the choice, Russ' determination and ambition is bound to make him a success. By Patty Kasperbauer.

INTRODUCING

Here we have one of Manning's top athletes, Roger Nielsen, 5'10" son of Mr. and Mrs. Claus Nielsen, Jr. Proof of Roger's athletic progress is in evidence by the fact that he has lettered for three consecutive years in each of these sports, football, basketball and baseball. He also lettered one year in track. Recently, this 17 year old senior was elected MHS football co-captain of the year. Roger, an out-door boy, rated baseball as his favorite sport.

While in 9th grade, Roger was elected class treasurer and during his sophomore year he served as a waiter at the annual junior-senior banquet. He is taking the college preparatory course and finds all the subjects interesting and they are necessary for a balanced education. After graduation he plans to go to college. When asked his favorite song, Roger shyly smiled, flashed a pair of sparkling brown eyes, and replied, "Come On' A My House." By Patty Kasperbauer

Speech Contest Has Three New Classes

This is the first year that students in Manning have entered the other fields of declamatory. There are three new fields; they are radio speaking, original oratory and interpretative reading. Those entered in these fields were as follows:

Interpretative Reading

Ruth Schmidt - "If" by Kipling and "At the Crossroads" by Hovey.

Louise Mohr "Hats Off" by Bennet and "Blenheim" by Southey.

Genelle Kruse "Silence" by Masters.

Diane Rix "Renaissance" by Milay.

Choral Andresen "Patterns" by Lowell.

Marlene Nulle "Casey at the Bat."

Radio Speaking

Those that signed up for Radio Speaking are: Ronnie McKim, Russell Spies, **Pete Petersen**, Merle McKim, Raymond Christensen, Gary Nady, Louise Mohr, Roland Valentine, Duane Monson, Bob Hanson.

The preliminary contest was held January 30 and 31. Judge was Dr. Helen C. Thornton from Morningside College, Sioux City. She is the head of the department of speech there.

From the local contest, one will represent Manning in the preliminary contest at Carroll from the oratory division, three from the interpretative reading and three from radio speaking.

The contestants are under the direction of Miss Myra Hamann

SOPHOMORES HAVE PARTY

Uri the night of January 23, 1952, the sophomores had their class party. Many famous characters were present, such as Harry Truman, Princess Elizabeth, Marlo Lanza, Jack Benny and others, but they were present in name only. You see, each person was presented with a celebrity's name and told to act as that person. This game provided a great deal of laughter for everyone. After participating in several other games, dancing was enjoyed by all. Lunch consisted of hamburgers, potato chips and rootbeer. The party was worth waiting for because everyone had a very enjoyable time.

SPOTLITE ON THOUGHTS

WIN DOUBLE HEADER

The Manning Bulldogs varsity squad won their 14th straight win, 61 to 52 Friday night over the Carroll Tigers. Deanes Rowedder counted for 20 points, followed by Gene Martens with 12 points. Gary Nady and Roger Nielsen hit for 10 points each. For Carroll, Don Henrick, Dale Bock and Floyd Wilkens placed for 15, 14 and 13 points respectively.

In the evening's opener, the seconds came from behind in the fourth quarter to win their 13th straight game of the season. Lyle Frahm tossed in 23 points and Richard Rix 12 for the Bulldogs. The Tigers were led by Steve Huffman, Fred Booth and Arlo Stein with 11, 11 and 8 points respectively. By Larry Kasperbauer

PEP MEETING

If you heard a lot of yelling in the high school Friday noon, it was only a pep meeting for the Manning and Carroll basketball game. The pep meeting opened with 2 yells "1-2-3-4" and "we got the coach." A skit was given by Rosemary Bock, Mary Lou Foley, and Barbara Knaack, followed by another yell, "The locomotive". Richard Rix spoke on behalf of the student body. Shirley Watson and Phyllis Zerwas presented one of their famous action-to-records. The cheerleaders led in another yell, "Fight team Fight." Coach Larry Gillespie gave a speech. The pep meeting closed with the "Loyalty."

"Shirley" - Gene Ehrichs didn't throw his class ring away. He must have put it in safe keeping in Denison!

Lyle Frahm didn't waste any time getting his driver's license after his birthday.

What was your hurry, Lyle?

We must have some poets in our high school. The following 'masterpieces' were found on a stray slip of paper.

Hi Ho, Hi Ho,

It's off to Alcatraz I go,

Neither fast, nor neither slow

But Alcatraz it tis I know.

I long to hold you,

Never will I scold you,
Like a child with something new I shall love and caress you.
Better get a copyright on those pretty soon!

The students of Manning high school wish to welcome Barbara Bauer to the senior class. We hope you like Manning, Barbara.

Bob Hansen seems to have his eyes reopened these days. Keep trying, Bob, and you'll get to talk to her.

I guess Marlene Anthony, Marlene Jahn and Corrine Sander have good times when they go to dances. How does it feel to get in (early in the morning that is girls)?

Snoobie would like to find out what is on Richard Rix's mind, that makes him forget to put the film in his camera before he takes annual pictures!

This is snoobie saying goodbye, See you next week.

TEEN CHATTER

Ronnie McKim: If you had your choice, what would you rather have, a dollar or a 'damotta'?

Doris Christensen: What's a 'damotta'?

Ronnie: Nothing. What's 'damotta' with you?

Mr. Joe McGrath asked Adele Gray to paraphrase this sentence: "He was bent on seeing her."

Adele replied: "The sight of her doubled him up."

Mr. Ahrendsen, answering the telephone: Dreamboat is not at her pier just now!

Myra Weinbrandt and Donna Spies were hiking in the woods. Suddenly they realized they had missed the trail signs.

Myra: "Oh, how I wish Emily Post were here."

Donna: "Why?"

Myra: "Because, I think we took the wrong fork."

Mary Lou Foley: I want to thank you for saying I had a thick head of hair.

Shirley Watson: Let's keep the record straight. I didn't say anything about your hair.

Rosemary Bock: My feet burn like fire. Do you think a mustard bath would help?

Roger Nielsen: Sure, there's nothing like mustard on hot dogs.

Alice Ahrendsen: My dog drank some gas, ran across the road and lay down.

Loyce Frank: Did he die? Alice - No, he ran out of gas

The night was warm,

The room was dark,

Not even a spark

Shone on the two

As they sat there alone

The little brown pup

And his chicken bone.

Wood and Stone were standing on a corner when a very pretty girl passed by
Wood turned to Stone, Stone turned to Wood, they both turned to rubber and the girl turned into a drug store,

Patty Kasperbauer: I hear Kenny Graves wants to be author and write "Doodle Books."

Ruth Schmidt: "What are they?"

Patty: "They are the kind that tell you "What to Doodle The Doctor Comes."

Deane Rowedder: "Professor, you believe in exams?"

Professor: "I think they are excellent training."

Deanes: "Well, I guess there is something to that. I practiced two hours last week learning to turn pages with my toes getting ready for the finals."

Dick Zerwas: "Someone told me that Rosemary was outspoken the class meeting"

Roger Nielsen: "Oh, really, who out spoke her?"

DONNA SPIES CROWNED MISS COMET OF 1952

A large crowd of high school students were in attendance Friday night when Donna Spies, a high school Junior, was crowned "Miss Comet" at the traditional Comet dance, sponsored by the local Quill and Scroll.

The auditorium was decorated in a sweetheart theme for the occasion. Tin foil hearts of various sizes were used as a background for the throne, red and white crepe paper streamers - with small silver hearts attached - hung from the doorways.

Adding to the gaiety of the evening was Mr. Orville Harris and his Happy Hooligans high school dance band, with Barbara Bauer, a senior, making her initial appearance with the band as vocalist.

The candidates for the title of Miss Comet were introduced by the officers of the Quill and Scroll: Lois Nissen, Dick Zerwas and Patty Kasperbauer when they

presented corsages to the four girls. The queen received a red rope corsage and her attendants, Adele Gray, Genelle Kruse and Lois Struve, white carnations. The queen was crowned by Maestro Harris. After receiving the crown receiving the crown of red satin trimmed with silver sequins. Donna thanked the student body for the honor and then gave Mr. Harris the customary Queen's kiss. Following the crowning ceremony the four girls, with the boys of their choice danced to the strains of "Sweet and Lovely."

Records were played for the latter part of the evening with Pete Petersen acting as master of ceremonies.

Refreshments were sold by the committee consisting of Margene Drees, Maxine Sextro, Daryl Genzen and Wilbur Jahn. Chaperones for the evening were Mr. and Mrs. Ray Walder and Mr. and Mrs. William G. Anderson. Marie Perkins is the faculty sponsor of the Quill and Scroll. By Patty Kasperbauer

ENTHUSIASTIC PEP MEETING THURSDAY

The high school assembly was full of enthusiasm at the pep meeting held there Thursday before the tournament game between Denison and Manning. The cheerleaders led several yells and the dance band played some numbers. Deanes Rowedder talked on behalf of the team and Miss Marie Perkins high school principal, spoke for the faculty. Ruth Wellendorf played two numbers on her accordion. Some more yells were led by the cheerleaders and a skit was given by four members of the pep squad. Cheral Andresen, Rose Mary Bock, Marlene Nulle, and Joyce Stuhr. The meeting ended with everyone singing the "Loyalty."

TAKE ANNUAL PICTURES

The large group pictures which will appear in the annual were taken by Lyden studio the earlier part of last week. The smaller pictures, such as class officers and the like, have been taken by Richard Rix. Most of the annual mats have been sent in and it is expected that the last of them will be sent in by the end of next week.

Her favorite pastime is listening to the radio to popular music or some sports event. Her favorite sport is basketball because it is played inside and is not difficult to understand.

After graduation Charlene plans to enter the College of Nursing at the University of Iowa this fall. We wish you lots of luck in all of your undertakings!!

QUILL AND SCROLL

INITIATES JUNIORS

Junior Quill and Scroll members were initiated at a meeting held Tuesday, February 20, in the homemaking rooms. A potluck supper at 6:30 started the evening in a most enjoyable style. The new members are Vera Ahrenholtz, Margene Drees, Mary Lou Foley, Marlene Drees, Donna Joens, Barbara Knaack, Janice Popp, Maxine Sextro, Carolyn Louisfield, Claus Bunz, Bill Jensen, Wilbur Jahn, Daryl Genzen, Gene Martens, Richard Rix, Betty Remmes and **Pete Petersen**.

The senior members in the candle-light ceremony were Lois Nissen, Ruth Schmidt, Adele Gray, Rosemary Bock, Bob Hansen, Dick Zerwas, and Deanes Rowedder, Pat Kasperbauer, president, told the new members about the organization and gave them membership cards and Quill and Scroll pins.

The junior members furnished entertainment by giving talks on various topics, such as, "who do you think is the ideal boy?", "Who do you think is the ideal girl?", "What do you think of butch haircuts?", "Who do you think are better drivers," and "How do you ask for a date?" The seniors were privileged to ask any question about the topic. This provided much laughter, mostly on the part of the seniors. The juniors were then obliged to impersonate some well-known person, which provided more laughs for the seniors with the juniors cleaning in a happy manner (for the seniors) with the juniors cleaning up.

Little Women: "They have no ear, no television set, no piano, I can't imagine what they do have.

Mr. Ray Walder: "Now, if I lay three eggs here and five eggs over there, how many eggs will I have?"

Robert Phillips: "Well, to tell you the truth, I don't believe you can do it, sir."

Sophomore: "Good heavens, get me a shovel quick! Lowell is stuck in the mud up to his shoelaces!"

Senior: "His shoelaces! Why doesn't he just walk out then?"

Sophomore: Stop arguing. He went in headfirst."

Mr. Joe McGrath: "Name two pronouns."

Larry Jahn: "Who, me?"

Mr. McGrath: "Are your mother and father in?"

Don Lacy: "They was in, but they is out now."

Mr. McGrath: "They was in! They is out! Where's your grammar?"

Don Lacy: "Out in the kitchen making cookies."

Grandfather: "So you have a new girl friend, Wilbur. What's she like?"

Wilbur Jahn: "Oh, she'll eat anything. Grandpa, anything."

Miss Hamann: "Who's the Speaker of the House?"

Gary Nady: "Mother"

QUESTION OF THE WEEK:

What do you think of the Carnival we are planning for February. What do you think will be the most fun?

Merle McKim: It should be a big success if everything goes as they planned it, especially to see two of the teachers do a dance in grass skirts.

Ruth Schmidt: The way things look now, it is going to be a big success. Everyone is working hard on the different booths and it should be quite a money-making deal. I think all will be a lot of fun.

Roger Vollstedt: I think it is going to be lots of hard work but the way the teachers are running around looking for help, I think it will be a big success. The Hula-Hula show put on by a couple of teachers will be the most fun! At least to watch.

Ruth Wellendorf: I think it will be a success since it is the first one for our high school. I think all of it will be fun.

Deanes Rowedder: It is going to take a lot of good hard work, but it will be worthwhile if it is successful. I think the boxing and wrestling should prove to be a big drawing card.

Pat Kasperbauer: Since it is new here in Manning, I think it will be a big success. I think the carnival as a whole will be enjoyable.

My sincere thanks and appreciation to Myron Bogatzke and Mr. Louis Muhlbauer during my recent injury, to the F.F.A. chapter and high school for the gift, also my schoolmates for the cards and visits while I1 was at the Manning hospital. Your thoughtfulness will never be forgotten. Bob Grundmeier.

Ray is taking the agriculture course and lists Physics as his favorite subject, as it is interesting and will very likely be useful in later life. Ray has been a member of the local FFA chapter for the past four years. During his junior year he was a member of the FFA parliamentary procedure team, and while a Junior and senior he played FFA basketball and lettered in that sport. He also played high school football during his senior year. During his senior year, Ray's leisure time is usually spent hunting or fishing. Other favorites of his are the sport, basketball; food, lemon pie; and I might add, the editor of the Spotlight. When asked what he intends to do after graduation, Ray ran his fingers through his brown, wavy hair and answered, "I'll help my dad on the farm."

Pep Rally Friday

A pep meeting was held in the Assembly Friday afternoon at 3:30. Yells were done, led by the cheerleaders. Talks were given by Coach Ray Walder and Kenneth Graves. The pep meeting closed with the student body singing the traditional "Manning Loyalty."

MANNING TAKES TWO FROM DENISON

The undefeated Manning Bulldogs won over Denison 5-15 here, Tuesday, February 12. Denison followed Manning closely at the end of the first quarter 11-10. The halftime score was 29-14. Roger Nielsen was high point men for the Bulldogs with 18, while Gary Nady had 13. Clifford Tamm put 16 points in for Denison to rate as their top man. Manning's second team edged Denison's reserves 31-24.

Marlene Anthony Wins Trip to New York

The most surprised girl in Carroll County Wednesday night was a Manning High School junior, Marlene Anthony.

Back stage at the Carroll High school auditorium, where she was surrounded by friends and photographers, after she was selected as the first place winner of the amateur talent television contest, the modest young miss, with joy unconfined, said, "I just can't believe I was that good." With her also was her accompanist, Miss Phyllis Porter, Manning High vocal instructor.

Before a capacity crowd, Marlene Anthony, 17 year old daughter of Mr. and Mrs. Lewis Anthony, performed like it veteran. Lovely, in her strapless formal gown of blended pink and gray nylon net, she sang her way into the hearts of an appreciative audience as well as the judges, with her song, "The Wind's In The South."

Competition was keen. Because of the tremendous amount of top-notch talent, 34 numbers instead of the usual 25 were selected from the 112 auditioned. Many beautiful costumes were in evidence.

As first place winner, Marlene will receive an expense paid trip to and from New York to audition for the Ted Mack Original Amateur Hour produced by the Major Bowes staff and sponsored by Old Gold cigarettes.

Second place winners were the "Acrobatic Tap Dancing Team," Kim and Frances Lauridsen from Dedham, who will receive an expense paid trip to and from Chicago to audition for a television show. Incidentally this attractive mother-daughter team also performed at the minstrel show at Manning last fall. Third placing event went to a vocal trio, Nancy Ritman, Mary Weed and Nancy Norman of Denison, singing a Hawaiian song. Fourth place was awarded to the "Pantomime Duo," Shirley Wilson and Phyllis Zerwas, Manning High School Juniors, with their interpretation of Spike Jones' "Too Young." Fifth place was won by the "Spoon Beaters," Merlin Nair and his son Bobby of Dedham. Judges for the contest were Mrs. Irene Fey, Scranton; Mrs. Leo Fitzpatrick, Carroll; William Pearce, Jefferson; Oliver Textor, Coon Rapids, and Clifford Johnson of Manning.

Those who entered the contest from Manning besides the above mentioned were: a vocal trio, Cheral Andresen, Barbara Knaack, and Genelle Kruse; The Spicers, Sandra, Cicily and Sonny; Ruth Wellendorf with her accordion and Dick Zerwas with a cornet solo.

SPOTLITE ON THOUGHTS

Everything comes if a man will only wait. Beaconsfield.

The secret of happiness is not to do what one like, but to be able to like what one has to do.

FIRST GRADE

We had our Valentines party Thursday afternoon. Everyone had a good time.

Miss Sand read two Valentine stories to us. We recited the three poems we learned for Valentine's Day. Then we played games and passed out the valentines. We all received many pretty valentines.

Donna Antone had a birthday Wednesday. She is 7 years old. Donna had treats for the class. Three boys and girls from our room have been absent this week due to illness. They are Billy Chandler, Virgene Reinke and Clara Hansen.

We brought pictures to school of things that go on water, on land and in the air. Miss Sand put them on the bulletin board.

Ruth Sand, teacher.

FIRST GRADE

The first grade observed Valentines Day by having a Valentine box and a party. Valentines were exchanged by the children. "Postmen" delivered the mail to each child. After refreshments of chocolate milk and cupcakes, the children listened to their favorite stories.

Science classes have been concentrating on a study of the weather. The children have learned the characteristic signs of the four seasons. Variations in weather during the seasons was also studied. The children are planning a weather chart for the month of March. Each day will be marked with a symbol showing the type of weather for that particular day. Ann Brady, teacher.

SECOND GRADE

Following a visit to the local post office, the second grade constructed a post office for their room. The climax of this activity was the mailing and delivering of Valentines through their room post office. The post office unit will be continued for another week while the children engage in more letter writing activities, and become more familiar with the operation of a real post office mural, depicting the various ways in which mail has been, and is transported, will be made by the class as a culminating project. Rita Kessler, teacher.

FIFTH GRADE

Since we last spoke to you we have had our Valentine party. The rooms were decorated with Valentines and our usual Valentine boxes. Sammy Musfeldt and Phillip Knaack were the lucky winners receiving the Valentine boxes. For our

parents' Valentines we had our profiles traced from a shadow. Some of us didn't recognize ourselves

Both classes are now entering the class work over World War II in history. In geography we have just finished our Central States unit. We are just about to pack our bags for the west.

Rita and Theresa Theobald, teachers.

SIXTH GRADE

Authors, producers, actors and actresses: all these terms are appropriate for members of the sixth grade as they go about the business of writing and producing and acting out their own plays. This week work is being done in connection with a speech and oral language unit and the plays will be presented to other grades for additional practice.

Recent art work has been centered about Valentine's Day. Valentine silhouettes were made by the group. Charcoal drawings provided experience with another type of material. The problems of arrangement, color and shape were dealt with as the class cut objects from magazines and attempted to arrange them in a pleasing fashion, Julia Triplett, teacher.

Roland Valentine: "I've made up my mind to go to Florida next winter so as to avoid the expense of fuel."

Wayne Vennink: "Don't do it. The prices they charge for heat down there make our dealers seem like philanthropist.

An enterprising insurance man issued an "angel" policy. It insured your wings in the hereafter. If a person didn't feel a need for this type of insurance he would issue him fire insurance.

First Civilian: How long has your cook been with you folks?

Second: Never, she's always been against us.

LOST AND FOUND DEPARTMENT ORGANIZED

Due to the many articles lost and found around school by the students, the Student Council decided to organize a Lost and Found Department. Articles everything imaginable that are laying around the school are put into the department.

When a student claims his article, it costs him a nickel. The nickel is put into the Council's treasury. However, if the articles are not claimed within a definite length of time they are automatically destroyed. By Joyce Stuhr.

Meet Florence Hammer, it 5'4" blonde with green eyes. She is taking the general course and chose typing as her favorite subject. She says it will help her after graduation. Incidentally, she has the highest speed of all senior typists. Her speed is 50 words per minute in a 10-minute writing. She has attained higher speeds in one minute writings.

Florence has been a very active band member for six years. She has entered baton twirling contests and rated highly. Florence has been in mixed chorus for four years and a girls' glee club for four years. She has also been a pep squad member for three years.

As pastimes, she prefers skating, movies and dancing. Florence enjoys basketball more than any other sport. She likes it because it is easier to understand and it is played indoors. The song "Because of You" ranks as her favorite.

Her plans after graduation are to work as a typist in an office. Good luck to you, Florence!

Woman: "It's so good of you, doctor, to come this far to see my husband."

Doctor: "Not at all. I have a patient next door, so I thought I'd just kill two birds with one stone."

Some kiss hot, some kiss cold. Some don't kiss, until they're told. Some kiss fast, Some kiss slow. Those that don't kiss, I don't know.

The Cyclone, Harlan.

MOVIE SEEN BY STUDENTS

The grade, junior high and high school science classes went to the movie, "Nature's Half Acre" Thursday afternoon. A special matinee was presented for the students. The science teachers, grade and junior high teachers accompanied their pupils. The movie was about plants, and birds, as the name implies.

ISTC CHOIR ENTERTAINS

On March 27 at 10 a.m. the Iowa State Teachers college choir presented an excellent concert to the students of Manning. The choir, composed of 33 girls and 37 boys, is conducted by Maurice Gerow. The program was high lighted by Jane Mauck, contralto, who song several charming numbers and a boys' quartet which the students found quite amusing. The audience was delighted when the choir gave several encores, the last of which was "Drybones" with their own instrumental accompaniment. It was an enjoyable concert.

FEATURE STORY "CHEERLEADERS"

The editor of the Spotlight came up to me the other day and asked me if I would write an article on the cheerleaders. I didn't like to turn her down, but I just didn't know what to write about them either. Then the question came to me: "What would we do without cheerleaders?"

Just think, wouldn't it be difficult to have pep meetings and have the variety of yells that we have? How would we be able to keep together when yelling if it weren't for the cheerleaders leading us?

Would the people of Manning have had the enthusiasm they had all through the season if it weren't for the help given by the cheerleaders? If the game is going good and in our favor, naturally, everybody has enthusiasm but what happens as soon as it goes the other way? It is the cheerleaders' duty to keep up that spirit of loyalty and keep the boys fighting to the end. We all realize that was a pretty hard job to do in the finals of the sub-state tournament.

Well, girls, you all did a swell job this year in keeping things going and you really presented some spirited pep meetings.

We want to thank the cheerleaders for their wonderful leadership especially the seniors. Genelle Kruse, Lois Struve, and Marlene Nulle, who will be leaving us before the next season. We know that the rest of you, Dorothy Hammer, Mary Lou Foley, and Carol Ann Gruhn, will keep up the good work next year.

"What has gotten into Bob Hansen" is the question everybody has been asking. Maybe Betty Stuhr, Barbara Bauer, Cheral Andresen, and Ruth Schmidt could give all the information needed.

Just A Little Loving

Ruth Schmidt has been staying home so much lately that we haven't any new gossip about her. It seems that a while back Ruth was driving her car had stopped. That wouldn't have been so bad but it was when she couldn't get started that the trouble began. Snoopie would let them use their own car, Ruth.

His favorite sports are basketball and football because they are good, fast games in which a person can have a lot of fun. SPOTLITE ON THOUGHTS

Conscience doesn't stop you from doing wrong, but it sure takes all the fun out of it.

Success consists of getting up more times than you are knocked down.

Leaders are ordinary people, with extraordinary determination.

Men who try to do something and fail are infinitely better than those who try to do nothing and succeed.

A tenth grade girl has attracted a Westside boy. Namely, Audrey Leinen. His name is Charlie Launville.

Allen Rix and Duane Monson would rather spend their time at the junior high than in high school.

EXPECT ALUMNI TO HAVE FLOAT

This is the time of year when we are busy with our floats for homecoming. We hope the alumni is busy with theirs, too. We are very anxiously waiting to see what they have done to show the boys that they are behind them. We are expecting to see them represented in the parade.

SUPER SNOOPER

It seems Louise Mohr has been quite happy since Sunday night. It couldn't be that Homecoming is only two weeks away, could it, Louise???

Chitter-Chat

We had some pigeons that wanted to be educated in the high school assembly the other morning. For more information, ask the FFA boys.

Chitter-Chat

Miss Phyllis Porter had a hard time keeping Janice Popp, Donna Spies, Lyle Frahm and Roland Valentine busy the other day while working on the pep squad float. What was the big attraction, kids???. Wasn't there enough work for you to do???

Chitter-Chat

Mrs. Letha Johnson: "What do you mean by bringing Marie home at this hour?"

Richard Mullenax: "I have to be at school at 8:30."

EXTRAS

Daffy-nition

ALUMNI INVITED TO SCHOOL DANCE

The alumni are invited to the homecoming dance after the game with Coon Rapids Friday, October 19. We hope to see all our old school chums back with us at this time.

BAND GOES THROUGH HALF-TIME MANEUVERS

The high school band marched at the half-time of the football game Friday night. The band entered the field from the east in a straight line and played a fan fare with twirlers saluting. They marched out to the middle of the field and the band played "W.M.B. March" with the flag and baton twirlers twirling. Next the band formed a compass, the drum row making the compass point. Four baton twirlers held signs showing the directions. The band played "Sidewalks of New York" while four boys were playing baseball in the east. In the south they played "Home on the Range" with a cowboy riding a horse or at least trying to ride it. At the north pole they played "Jingle' Bells" with Santa Claus handing out pop corn. A short talk was given on the Crusade of Freedom after which the twirlers collected money and Marlene Nulle twirled, while the band played "Under the Double Eagle" march.

"Your Honor, I want to have my marriage annulled. I have positive proof that her father didn't have a permit to carry that gun."

EDITORIAL SMILES

Webster defines a smile as a look of pleasure, to look gay, cheerful, or happy.. Actions speak louder than words and a smile says, "I like you. You make me happy. I am glad to see you."

You don't feel like smiling? Then what? Force yourself to smile. How often have you been depressed and someone passed you with a smile? Then it seemed as if the sun had just broken through a cloud.

The heather Chinese are a wise lot, that is, wise in the ways of the world. They have a proverb that you and I ought to remember and live by: "A man without a smiling face must not open a shop."

So smile a bit every day. It really isn't painful or expensive. It doesn't do any harm to smile and say, "Good morning" even if it is raining.

"Don't be afraid to smile

as you journey along life's way.

It takes such a little effort

and helps to brighten a day.

Someone may be weary and tired,
breaking under life's strain.

If we'd meet and greet him with a smile,

He'd start the strife over again. By Alice Jean Ahrendsen.

PEP MEETING HELD

A large pep meeting was held in the gym before the Manning-Carroll game. The pep band started the meeting off with two selections. Cheerleaders lead four yells followed by four boy cheerleaders giving fifteen for the coach. The boy cheerleaders were Deanes Rowedder, Dick Zerwas, Allen Jensen, and Gary Nady. Coach Ray Walder spoke briefly as a faculty member and Allen Vennink as a member of the team. Deanes Rowedder, Gary Nady, Bob Hansen and

Roger Nielsen put on a short skit. The skit was prepared in speech class and later more will be given to make the pep meetings more entertaining. The boys' quartet sang a song on football. Mary Ann Kasperbauer gave a talk on behalf of the alumni. The meeting was ended with the traditional "Loyalty."

Yea Team Fight!

QUESTION OF THE WEEK

Who is your favorite athletic, radio, or screen star? Why?

Allen Rix: Bob Tompson, cause I'm for the Giants.

Tom Musfeldt: Gabby Hayes. Because I like the smell of his beer-d (beard).

Duane Monson: Bill Cross of the Chicago Cardinals. He's a very good football player for his size.

Richard Dethlefsen: Margaret Whiting, because of her beautiful voice, oh-la-la.

Pete Petersen: Ed Lopat, because he is one of the best pitchers in the major leagues.

Glenn Singsank: I like Bob Feller because he is one of the best pitchers in the American league.

Richard Rix: Jim Thorpe, Because of his great courage to win.

Phyllis Genzen: "Now, Daryl, nice people always choose the smaller of the two chocolates, so take your choice."

Daryl Genzen: "Thanks, sis, but ladies always choose first"

TEEN CHATTER

Donna Joens: "When you married me, I thought you were daring and courageous."

Merlin Ramsey: "Name one person who didn't!"

The haughty senior girl sniffed disdainfully as the tiny freshman cut in. "And just why did you have to cut in when I was dancing?" she inquired nastily. The freshman hung his head with shame. "I'm sorry, m'am," he said, "but I'm working my way through school, and your partner was waving a five dollar bill at me."

Rosemary Bock was driving her shiny new car through Manning. Suddenly, at a cross street, a heavy truck collided with her car, mangling it completely.

Infuriated, Rosemary remembered in the nick of time, her gentle upbringing. She got out of her car and walked over to the truck driver.

"When you get home to your kennel tonight," she said, "I hope your mother bites you."

She had been in the pep squad for three years and a member of girls' glee club since her junior year.
When asked what her favorite pastime was, she said going to the show, riding a bicycle, skating, and dancing. Her favorite sport is basketball because it is played

indoors and is easier to understand. After graduation she would like to go to Des Moines or Carroll and take nurse's training. Good luck to you, Ella Mae!

November 9 Manilla game, here.

November 11-17 American Education Week.

November 13 F.F.A. Parents' banquet.

November 16 Operetta.

November 19 Football banquet.

QUESTION OF THE WEEK

What did you enjoy most at Homecoming and why?

Mardel Bonnesen, Winning the game and the dance afterwards; also the pretty floats.

Shirley Watson, I enjoyed the parade, all the floats were very good and showed all the hard work put into them. I also enjoyed the dance. It was well attended.

Richard Rix, I thought the game and the dance were the most fun. The floats the most work; they were all very good.

Marlene Nulle, I liked the crowning of the queen and the homecoming dance after the game. We had excellent attendance at the dance this year. Everything turned out swell with the Bulldogs pulling through for a victory.

Preference Tests Taken

Last week the seniors took the Keeder Preference test. The test has no right or wrong answers so the students couldn't fail in it. The test is to help the person know the fields in which he is most interested in. There are nine classifications of interests: mechanical, computational, scientific, persuasive, artistic, literary, musical, social service, and clerical. After the tests were scored the students were shown a list of occupations that applied to the classes in which their scores were highest. Some of the girls were rather surprised to find that they had mechanical interests.

EDITORIAL!

Success without culture is like strawberry short-cake without the whipped cream. It has no flavor. There are certain social formalities that bespeak the true lady, and the true gentleman. Some of us call it good form. Some of us call it culture. Some of us would call it etiquette. But most of us will admit that it makes the world a better place to live in. Perhaps you have heard the story of the "gentleman" who prided himself on excelling in the art of etiquette. On one occasion he passed a lake and heard a drowning man call for help. Quickly he threw off his coat and was about to plunge into the water when suddenly he remembered that he had never been introduced to the struggling victim. Putting on his coat again, he proceeded on his way quite self-satisfied. This is an instance where common sense would have been the best example of good etiquette. The purpose of correct manners is not to be able to strut about in society and command the admiring glances of the people around us. The true service of etiquette is to strengthen and simplify the social life so that we are able to do what is correct and right without stopping to think about it. So everybody try to be as successful as their culture will allow. By Cleone Schroeder.

SIXTH GRADE

The following articles were written by members of the sixth grade to their own newspaper.

The Sixth Grade is studying about the Old Stone Age and they are doing some remarkable things. There are two groups working with clay. They are making bowls. The teacher brought a bowl which she made of clay. After it was finished it was baked hard.

There are some people who brought gourds and they have bowls, bottles and water containers. Then in the last group, the pupils are making baskets of all shapes and sizes. One has a narrow neck and a large bottom, one goes up like a peak, and there are many others.

The sixth grade has discovered from this work how lucky we are to live in this modern world of ours, for the pupils who wove baskets, made pottery, and made things from gourds found out how hard it was to do. By Wesley Cooper.

In reading we are making movies of some of the stories we have read. They are made of three things; broomsticks, wall-paper, and cardboard boxes.

This is how we make them. First we draw the pictures on the wall paper to tell the story. Then we make slits in the sides of the box and a large opening in the front. We will fasten one end of the wallpaper to one broomstick. The other end we will put through the slit. Then we will fasten it on the other side to another broomstick. Two people will tell the story while two turn the broomsticks so that the pictures change.

After we show them to our class, we will show them to the other classes.--by Marilyn Bogatzke.

TEEN CHATTER

Allen Jensen: "I'm afraid that car doesn't suit us. My fiancée cannot reach the brakes and the steering wheel at the same time."

Salesman: "Sir, the car is perfect. I suggest you try a new girl."

Ruth Schmidt married a professor in the middle of her second year at college.

"But, dear," protested Patty Kasperbauer when she announced the engagement.

"I thought you came to the university to get your Ph.D."

"So I did," Ruth replied, "and I had no idea I'd get him so soon."

Dick Zerwas: "Why does a woman say she's shopping when she hasn't bought anything?"

Donna Spies: "For the same reason a man says he's been fishing".

In the parlor there were three

The girl, the parlor lamp, and he

Two is company, no doubt

That is why the lamp went out.

"Excuse me, sir," said the charity worker to Dick Zerwas, who was in a shiny convertible. "Would you care to help the Poor Girls' Home?"

"I should say I would," Dick replied. "Where are they?"

Mathematics Teacher: "Now, if I lay three eggs here and five eggs over there, how many eggs will I have?"

Pete Petersen: "Well, to tell you the truth, I don't believe you can do it, sir."

"You, down there!" shouted Rosemary Bock's father from the head of the stairs.

"It's after midnight. Do you think you can stay all night?"

"Gosh, thanks," answered Roger Nielsen. "I'll have to phone home first and ask."

Coach Gillespie put up a notice for the first football practice of the season, and at practice Willis Kruse proved to be the fastest runner of them all. Coach called him over to the bench and asked him how he had learned to run so fast.

"We used to live in Texas," explained Willis, "and I used to catch Jack rabbits on my father's ranch."

"That's an oldie," smiled Coach. "A lot of fellows here say the same thing, but they're not so fast as you."

"Well, my dad was pretty fussy about the rabbits he ate," Willis continued. "I not only had to chase 'em, I had to run alongside of them to see if they were fat enough for Dad before I caught 'em."

The doctor's waiting room was full. Every chair was taken; some patients were even standing. There was a desultory conversation, but after a while silence fell. The patients waited. Finally, an old man stood up wearily and remarked. "Well, I guess I'll go home and die a natural death."

A little boy ended his prayer one night saying, "Good Night, dear Lord, take care of yourself because if anything happens to you we will all be sunk."

Miss Myra Hamann: When was Rome built?

Roland Valentine: In the night.

Miss Hamann: Why do you say that?

Roland Valentine: Because you said that Rome wasn't built in a day.

November 15, 1951 Spotlight AMERICAN EDUCATION WEEK

American Education Week is observed each year in November, beginning on Sunday of the week which includes Armistice day. The first observance was held in 1921 as the result of a report made by a special committee on Americanism and Education appointed to cooperate with the American Legion. It is sponsored by the NEA (National Education Association), the American Legion, the U.S. Office of Education, and the National Congress of Parents and Teachers.

Purpose of American Education Week is to interpret the history, ideals, achievements, problems, and needs of our schools; and to arouse greater citizen interest in their well being and improvement. The general theme adopted for each year's observance for the past thirty years, has closely followed the main purpose. The 1951 general theme is "Unite For Freedom," with selected daily topics which are designed to inform the public of the accomplishments, problems, and needs of the public schools in permeating the theme.

The millions of children of preschool and school age represent the nation's most valuable human resources. The value of children is evident because the democratic culture of tomorrow is being fashioned out of the ideas and values these young citizens are learning in their daily development. Good schools are the people's durable investment in their community's and their nation's future.

The American devotion to education has enabled millions of children to be housed in modern buildings, to use appropriate equipment and materials, and to

have the guidance of teachers with higher professional qualifications. We can be pleased with this accomplishment, but we dare not discontinue in the next fifty years, our efforts to secure improvements in education.

American Education Week is designed for the purpose of informing the public of the accomplishments and needs of the public schools and to secure cooperation and support of the public in meeting these needs. This week has come to be the outstanding period of the entire year for educational interpretation and school visitation. Observance is held by schools, many organizations, and most communities. In respect to the persistent and pressing problem of the continuing international crisis, the 1951 theme, "Unite for Freedom," demands support not only of the schools, but also all other agencies, organizations, and peoples interested in the cause of democracy. David R. Littell, Superintendent
F.F.A. HAS INITIATION

On Thursday, November 8, the Manning chapter of Future Farmers held their regular meeting. The formal opening ceremonies were used and the meeting was called to order by president Russell Spies. Secretary Pete Petersen took roll call and all except four members were present. Then a discussion was held on having another hay-ride. Everyone was in favor of it so the president appointed a committee to take charge. We also talked about our annual banquet which will be held November 13.

Initiation of Green Hands was the highlight of the night. First the formal exercises were used and then we asked each boy a question. If he failed to answer the question he received the F.F.A. brand which was a piece of dry ice against his heated back. Some of the boys went through a crawl line after which everyone enjoyed the refreshments offered by the organization. By Russell Spies.

17 CANDIDATES TO QUILL AND SCROLL

Seventeen MHS juniors have been named as candidates to Quill and Scroll, International Honorary Society for high school journalists. These students were selected on the basis of their scholastic achievement during their freshmen and sophomore years.

In order to be eligible for admission to the society the candidates' grade point average must be in the upper third of their class, they must contribute one or more articles for publication in the school paper, and a sample of their work must be submitted to the executive secretary for approval.

The seventeen candidates, who upon the fulfillment of the requirements, will be initiated into Quill and Scroll in the traditional candlelight ceremony sometime in January are Vera Ahrenholtz, Margene Drees, Mary Lou Foley, Marlene Hargens, Donna Joens, Barbara Knaack, Carolyn Louisfield, Janice Popp, Betty Remmes, Maxine Sextro, Claus Bunz, Daryl Genzen, Wilbur Jahn, Bill Jensen, Gene Martens, Peter Petersen and Richard Rix. By Patty Kasperbauer

Education Today Has Many Needs

To maintain a high standard of living in a complex world, we must invest heavily in education. An individual feels more secure if he has had an opportunity for education. Our nation is equipped with vast stores of natural resources, which cannot be wisely utilized without the help of well educated men and women.

Therefore, to make a nation truly great we must develop human resources. The teaching of the three R's is not enough in this atomic age. Today our schools strive to develop the personality of the child as well as his intellect. They prepare him for better citizenship and work. Such a program calls for modern equipment. It necessitates having smaller classes so that the teacher may meet each student as an individual.

The teacher plays an important part in the child's development consequently, only those persons with wholesome personalities, who are resourceful, skillful and imaginative should be teachers. The salaries paid to teachers must be sufficient to attract and hold capable people. Citizens of tomorrow will suffer because good teachers have sought other work which pays them adequate salaries. Investment in education is costly, but we generally get what we pay for. Thoughtful citizens know that leaders of tomorrow must, be trained in democratic principles. Our schools must be equipped to meet that demand. We spare no expense in training our men successfully for war. Should we do less in preparing our citizens for peace?

American Education Week provides a good opportunity for all, parents and interested citizens in the community to become better informed about the excellent work that the schools are doing for the youth of our nation. Plan to visit your school during that week. The teachers and administrators will be happy to meet you. Mildred Middleton, Elementary Supervisor for Carroll County.

MHS QUILL AND SCROLL MEETS

The Quill and Scroll met Wednesday, November 7, at 8:00. Topics concerning the dedication of the annual, the Comet Queen, annual advertising, and the popularity contest were discussed and decided upon. The meeting concluded with entertainment and a lunch served by Rosemary Bock and Adele Gray. By Deanes Rowedder.

QUESTION OF THE WEEK

What do you think of American Education Week?

Donna Joens: I think it affords a wonderful opportunity to those who wish to see how our school is operated and want to meet the teachers.

Audrey Leinen: I think it's nice to have our parents and friends see how our school is operated.

Lyle Frahm: I like American Education Week, because it gives the parents a wonderful opportunity to see how our school is organized.

Gary Nady: I think it is very essential to have a good parent-student-teacher relationship.

Carol Ann Gruhn: I think it is a very good thing to have so that our parents can see how the pupils and teachers cooperate to learn something.

INTRODUCING

She is taking the college preparatory course. She says her favorite subject is English 12, because it will help her after she graduates and they talk about many interesting subjects in class. Rosemary is active in many activities such as pep squad, band, pep band, sextet, mixed chorus and glee club. She is co-editor of this year's Comet and was on the Spotlight staff for two years. She was also a

homecoming attendant, and took part in the junior-senior class play last year. She is a member of Quill and Scroll. Rosemary's favorite pastime is to play the piano. She enjoys all sports but she thinks baseball and basketball are easier to understand than football, so they seem to be a lot more fun to watch. Also a person is warmer when watching baseball and basketball and therefore they are also enjoyed more.

Manning made two touchdowns in the last half. One was made on a line plunge by Roger Vollstedt and the other on a run by Roger Nielsen. AL BELL'S VISIT TO CENTRAL AMERICA

Al Bell from Des Moines, entertained the entire student body of the Manning schools on Thursday morning, November 8.

He told of the many interesting places and things which he saw while visiting in Central America last summer. The five places which he visited were Guatemala, Costa Rica, El Salvador, Nicaragua and Honduras.

During the program, a movie was shown of the tour which Al Bell and his son Butch took. It viewed many interesting places and showed the procedure of preparing the land, planting and raising corn in Central America.

They do all their work with oxen and once in a while they use horses, but few people in Central America have horses. This was a very interesting program and was enjoyed by all of the students as well as the faculty. By Phyllis Genzen.

MANNING SCHOOLS DATE BACK TO 1881

The history of the Manning public schools begins way back on November 20, 1881. Benjamin I. Salinger was the first teacher and commenced the first term with an enrollment of 61 pupils. The room used was the back half of Callimore's building, located on the ground floor, and rented for one year.

The first graduating class from Manning high school consisted of one boy and eight girls in 1888. They were William Miller, Mabel Benson, May Lundy, Mary Ferguson, Blanche Patton, Lizzie Dalliner, Effie Lathrop, Eva Kuhn, Ora Evans. The first election of the district was held on March 13, 1883, and resulted in the following persons being elected to serve on the school board: Val Roush, C.M. Failing, Luman Putman Brigham, John Hoffmann, John S. Ferguson and P.A. Emery.

After having engaged teachers for the ensuing year, 1884, the school board proceeded to take measures toward the erection of a good school building. A stipulation of the contract was that the building should be completed and ready for occupancy by October, 1883. The enrollment of the school was now 159 pupils.

In 1898 the enrollment was 302 pupils. A petition at this time asking for a new brick school building was refused because plans were being made to enlarge the present building. The old stoves were removed and a new heating system was installed, while the rooms were remodeled and refitted, and the entire building was repainted and put in good order generally.

The enrollment of Manning public schools for 1951 is 502 pupils. The faculty consists of 25 members. The 1952 graduating class consists of 42 members. By Joyce Stuhr.

WHAT EDUCATION WEEK MEANS TO A STUDENT

Manning, Iowa November 14, 1951. Miss Adele Gray
Editor of The Spotlight
Manning High School
Manning, Iowa.

Dear Adele:

Last week when you gave me this assignment, an article entitled "The Significance of American Education Week to a High School Student"; I really began to wonder just what the most important aspect was.

I know that Education Week is an observance held in November each year to acquaint the public with the work of education and the problems of training children for effective citizenship. Each day is devoted to one of the following; health, home and school relations, school opportunities, citizenship and community relations.

It isn't how much you know that counts, but what you can do with what you know; for ideas are such funny things. They never work unless we do. Therefore, I believe Education Week should be a week filled with opportunities for the high

school student. The opportunity to express untold gratitude for the privilege of attending a free school in a free nation. To be thankful for the opportunity of selecting your subjects and planning your future life's work. The given opportunity of having several teachers who add that touch which gives the work we do in school meaning and significance and remind us that the most effective method of teaching is through the application of principles learned. All this is education, that is both useful and cultural, the extra opportunity of school activities which enables us to make new friendships, meet new personalities and visit different communities. During Education Week parents of students should have the opportunity to visit school. Our high schools are what the patrons are willing they should be. Visiting school, getting acquainted with the teachers and otherwise taking an active interest in school is a far more effective way to raise its standard to what they want it to be than merely talk about it to people with no authority whatsoever.

And last, but not least, there is the challenge of opportunity. It is all about us. Everyday has a challenge and every age has its frontier. There is always room at the top. There is not a single word in our immortal Declaration of Independence that guarantees us anything. Those great instruments of government speak entirely in terms of opportunity. May we have the wisdom to treasure these riches and not squander them.

I truly hope that I have informed you just what American Education Week means to me.

Very sincerely,

ALICE AHRENSEN.

The train came to a sudden stop, jerking the passengers around. "What has happened, conductor?" cried Miss Barbara Bovenmeyer.

"Nothing much," said the conductor. "We hit a cow,"

"Oh," said Miss Bovenmeyer, "was it on the tracks?"

"No," replied the disgusted conductor, "We chased her into a barn."

What's the gathering in the halls these days? Could it be because Deanes Rowedder is taking subscriptions for the annual?

What makes a certain sophomore girl's eyes light up when a certain junior passes by? How about it, Kay Eckholdt?

It seems that Miss Myra Hamann has trouble keeping the boys in her economics class awake. Is it because of the night before, Russell Spies?

Dick Zerwas sure can't wait until dismissal time, so he can talk to that junior girl. Is that true, Donna Spies?

We wonder why Raymond Christensen didn't get on A in economics one Monday morning. If you'd rally like to know, ask Miss Hamann.

Darlene Loneman seems to be very happy these days. Could it be because a sailor is home, Darlene?

Super Snooper.

TEEN CHATTER

Some Manning girls began the football battle Thursday night. For more information see Rosemary Bock, Cheral Andresen, Genelle Kruse, Joyce Stuhr and Lois Struve.

Gary Nady: "Was I driving too fast?"

State Cop: "Heck, no! You were flying too low."

(Kenny Graves and Barbara Knaack were out driving.) They came to a quiet spot on a country road and the car stopped.

"Out of gas," said Kenny. Barbara then opened her purse and pulled out a bottle.

"Wow!" said Kenny. "A bottle - What is it?"

"Gasoline," replied Barbara.

BULLDOGS PREPARE FOR BASKETBALL

The Manning Bulldogs, after a great basketball season last year, are preparing for another fine year. High interest in the team was shown as Coach Larry Gillespie worked his squad of 34 men into condition for the opening game which was November 27 with the Carroll Tigers.

The Bulldogs have six lettermen who returned to the team from last year. They are Roger Nielsen, Gary Nady, Deanes Rowedder, Gene Martens, Dick Zerwas and Kenny Graves. All are seniors with the exception of Gene Martens who is a junior. The others on the squad are Seniors Russell Spies; Juniors: Richard Rix, Roger Vollstedt, Roland Meeves, Allan Vennink, Merlin Ramsey and Claus Bunz; Sophomores Roger Ohde, Duane Monson, Don Lacy, Tom Musfeldt, Larry Kasperbauer, Paul Vollstedt, Lyle Frahm, Bill Richards, Lowell Stribe, Ronnie McKim and Willis Kruse.

The Bulldogs are working hard and the game with the Tigers proved to be an exciting one. Let's all get behind the team and give them our support. By Claus Bunz.

MARIE JOHNSON IN ALL-STATE BAND

Friday morning Marie Johnson left for Des Moines for rehearsal for all-state band. Rehearsals were held all day Friday and Saturday morning and afternoon. Saturday evening at 8 o'clock a concert was given by the all-state band, consisting of 250 high school students, under the direction of Frank Piersol, director of the Iowa State College band. Marie had the honor of playing solo first oboe. By Mary Lou Foley.

HOMEMAKING GIRLS IN THIRD SIX WEEKS

The freshman girls have just completed their second six weeks in the homemaking department. The first six weeks period was spent studying personal grooming, the care of the hair, nails, hands, and clothing. These girls are trying to look their best now.

The second six weeks was spent learning the proper measurements in cooking. Their first try turned out a golden-brown pan of "Corn-Flake Peanut Cookies."

Later, they made the following: "Refrigerator Cookies, Chocolate Drop Cookies, Muffins, Baking Powder Rolls and Waffles.

The sophomore homemaking girls are starting this semester by making suits, dresses, or skirt and blouses. Some are either finishing the work on their garments, or starting on something new. Every girl is doing a fine job on her garment. By Marlene Hargens.

SUPER SNOOPER

It kinda looks like Donna Spies got in a hurry to get her class ring. The only part that is hard to understand is that the year on it is 52 and the initials are D.Z. Very strange.

According to a late news flash, the Florence Hammer-Don Lacy romance is progressing quite well.

Joyce Stuhr has just figured out how much it is going to cost her to write to Allan Wegner every day for the four years he will be in the navy. It comes to \$87.60. Pretty expensive, isn't it, Joyce??

The other day I overheard the word Kaiser in one of Waldean Jackson's conversations. To be earnest with you, I think she's going to get a car. Don't know what else she could have been talking about.

Lost: One letter. Will finder please return to Darlene Loneman and no questions will be asked, or better yet, don't ask any questions.

Mardel Bonnesen has sure been having that tired look lately. Too bad Jack Fuller quit school, isn't it, Mardel??

Ruth Peterson has been said to have an outside interest. The county number on his car is 37, he works in Des Moines and is from Manilla.

You can't taketh it with you---Because you can't getteth it here.

Nuff Stuff, Snoopie.

F.F.A. BASKETBALL GETS UNDERWAY

By the looks of it, F.F.A. basketball has again come under-way. The farm boys are practicing each noon hour, Instructed by Mr. Louie Muhlbauer, the agriculture teacher. The freshmen, sophomores, juniors and seniors are taking part in it with 36 out in all. It is arranged so that the freshmen and sophomores play on Mondays and Wednesdays, and the juniors and seniors on Tuesdays and Thursdays, this routine gives all a chance to partake.

Two of the agriculture students, who have taken F.F.A. basketball were appointed to schedule games. **They are Pete Petersen** and Ray Christensen. The F.F.A. teams to be played are: first, Denison, second; Carroll, third; Coon Rapids, fourth; Audubon, then Manning's Jr. High and Manning high's second team. The dates for the games have not been set. By Daryl Genzen.

ALL-STATE CHORUS

Bright and early Friday morning Rev. and Mrs. Kruse were waiting to take four Manning high school students, Marlene Anthony, Genelle Kruse, Lyle Frahm and Duane Monson, to Des Moines where they were to sing in the all-state chorus. They arrived at the Hotel Savery at 9:45 despite the fact that the roads from Guthrie Center were icy. After registering, they drove out to Drake field house where they were to begin a series of rehearsals beginning at 10:30 Friday morning.

Following the Friday afternoon rehearsal, Miss Phyllis Porter, accompanied by the group, went to the WHO studio where they watched Harriet Moore, Miss Porter's sister, and the Songfellows rehearse for their WHO program.

Friday evening a rehearsal was held from 7:00 to 8:30. (incidentally, the Hotel Savery was three miles from the Drake field house where these rehearsals were held). At 9:00, four tired students returned to the hotel for a good night's sleep. Oh, well, they had good intentions.

Saturday, rehearsals were both from 10:30 to 12 o'clock and from 2 o'clock to 3:30.

Saturday evening was the climax of the trip. At 8 o'clock a two-hour concert was presented by the all-state chorus, consisting of 2,600 high school students, under the direction of Albert Stewart.

All too soon it was Sunday morning and the group, after bidding their new friends good-bye, boarded the bus and arrived at Manning at 10:15 Sunday morning. By Mary Lou Foley.

Phyllis Zerwas: "What's the name of the book you're reading?"

Shirley Watson: "It's entitled "What 20 Million Men Want."

Phyllis: "Let's see if they spelled my name right."

Mr. Andresen: "Good gracious, Norman, where's the car?"

Norman: (Absent-minded): "By gosh, I remember giving somebody a lift and when I reached here I got out and thanked him for his kindness!"

INTRODUCING

Adele Gray, a 17 year old, brownish-green eyed, brunette, 5'3 1/2" senior.

Adele likes basketball and football, but basketball is a little easier to understand. Her hobbies are sewing, reading, and hunting.

After graduation Adele plans to do clerical work but is undecided where. We wish you all the luck in the world, Adele!!

TEEN CHATTER

Mr. David Littell walked into the homemaking kitchen. "Attention!" Mrs. Christine Sanders shouted. All sprang to attention except Dorothy Ehlers.

"What's the matter?" asked Mr. Littell. "Why don't you stand up when the command is given?"

"Sir," was the reply, "I've Just started this recipe which says, 'Don't stir for 25 minutes.'"

Cop: How'd you get that flat tire?

Leon Hugeback: I ran over a milk bottle.

Cop: Didn't you see it?

Leon: No, the kid had it in his pocket.

Leland Kienast: "Mr. Kruse, er --that--I would like to er-- that is, I mean I have been going with your Genelle for five years."

Mr. Kruse: "Well, whadda ya want, a pension?"

MEET THE SENIOR

Co-Editor

Mary Lou Foley is the assistant editor of the SPOTLITE. It is her job to take care of the assignment of articles to the various staff members when the editor cannot for some reason do it. She has to look for new and interesting ways to write and present the articles in the paper. She has assumed a great responsibility in trying to achieve a paper which is worth its while to both students and the readers in general. Mary Lou has had quite a bit of experience in the reporting line. She was reporter of the Manning 4-H Cadets for two years and reporter for the Sacred Heart Youth club for two years. So you can see that writing an article is not something new to her.

Mary Lou has been an honor student throughout her high school years and as a result is a members of Quill and Scroll. She has belonged to band since she was in fourth grade. She has been a high school cheerleader for three years, a

member of mixed chorus, glee club and various other vocal groups throughout high school, and an active member of Pep Squad.

MEET THE ATHLETE!

Meet Pete Petersen, a farmer's son who lives near Botna. This husky red-head is a senior and our first "Athlete of the Week."

Pete, as all his friends call him, stands 5 feet, 11 1/2 inches in his stocking feet and tips the scale at 177 pounds. He has played football for two years and is working hard again this year.

Pete's favorite subject is American History because, "It is the most Interesting," In sports he likes football the best. The reason for this is that it teaches good sportsmanship."

This popular senior is president of his class and also president of the Manning FFA.

Pete is on the SPOTLITE staff and can always be depended on to finish any job that is required of him.

The SPOTLITE salutes you Pete, as the Athlete of the Week!"

In the second team game, a taller, more experienced Carroll team dropped the Manning reserves. By Pete Petersen.

ENTERTAINMENT GIVEN AT GAMES

At the half of the Carroll-Manning basketball game, eight flag swingers and six baton twirlers appeared in their new uniforms to entertain the crowd. While the pep band played two marches, the twirlers and flag swingers marched onto the floor facing both sides of the gym. Between marches they changed sides so everyone could see their colorful and snappy routine. They have different colored uniforms and the flags match the color of the uniform the girl was wearing which make their routines very colorful.

At the Manning-Lake City game, 84 students from the fourth, fifth and sixth grades appeared with colorful dresses and shirts to dance the Virginia Reel. The seven sets were taught this dance by their teachers: Miss Mary Knight, Miss Rita Theobald, Miss Theresa Theobald and Mrs. Julia Triplett.

PEP MEETING

Did you notice the high school shaking a little Friday afternoon? Well, if you did it was just from everyone yelling at the pep meeting. If you had stepped Inside the door, you probably could have heard one of these yells; 1 2 3 4, We're gonna fight, and success.

Mr. David Littell gave a very interesting talk, ending it with the following little poem entitled "Last-Punch Courage."

Team, when the fight is grimmest,
And it seems that you cannot gain.
You've hurled yourself at the steel-like line
Again and again and again.
The tackles rebuff your plunges,
The ends seem as swift as light;
You're starting to doubt your power
Right then is the time to fight.
You feel that you're shot to pieces,
But some day, team, you'll know,
That the battles of life, like In football,
Are won on the final blow.
The ones who have hit you the hardest
Are weakened, team, as you.
So this fight must come down to courage,
The last final drop or two.
So buck up your heart,

Tho' all the Heavens may fall,
And give 'em that heartcore wallop
The weakest yet the best of all;
And I'll tell you, team, the fans
Who watch from their seats will say:
"There's a 'team with the last-punch courage
Make way for a victory, make way."

Richard Rix gave a little talk on behalf of the team, stating that he thought the following three things were essential to win a game: practice, school spirit and how the team acts during the game.

After that, everyone joined with the cheerleaders in singing the Loyalty.

By Margene Drees.

INTRODUCING LOYCE GRAY

Everyone in high school is happy to see Loyce Gray back in Manning again.

Loyce, a red-haired, green-eyed senior, stands 5'4" tall. Loyce attended school in Manning in the eighth grade but left us to go to Alexandria, Minnesota, where she attended school for three years.

Loyce, with her friendly personality and winning ways, has not been forgotten by her many friends and has added quite a few new ones to her collection the few days she's been with us.

Loyce is taking economics, typing II, English IV, and consumers math. She lists typing as her favorite subject.

When asked about how she liked coming back to Manning she replied, "I know I'll like it back in Manning, because the students are all so friendly and the teachers are so helpful."

The Manning high school students welcome you back, Loyce!

Mary Lou Foley.

If anyone wants to know if Mr. Himley reads the SPOTLITE every week, just ask anyone in his economics class; then you'll find out!

It seems that Lois Anthony enjoys tagging after a certain senior girl. You better watch out, Lois, you're in pretty dangerous territory!

"Copy Cat"

Dick Wellendorf seems to have taken a liking to a blonde senior girl. Could it be Myra Weinbrandt?

"You're Just In Love"

Merlin Ramsey really seems to enjoy typing class. It couldn't be because you are the only boy in the class of seventeen, could it, Merlin?

It seems that Phyllis Zerwas and Cleone Schroeder had a good time at Atlantic last Tuesday night. It looked that way anyhow. How about that Phyllis and Cleone?

Jack Mohr, Gwanetha Horbach and Charlotte Paulsen were having a very interesting chat in the hall Monday until Miss Gladys Sawtell came along. At least it looked interesting.

October 17 Coon Rapids game, there.

October 20 Manilla Jr. High game, there (football.)

TEEN CHATTER

Miss Finnern: "I would like to know why it is that whenever I leave the room for a short time and then return, I find no one working?"

Roland Valentine: "It's because you wear rubber heels, Ma'am."

A farmer in great need of extra hands at haying time, finally asked Duane Monson, a town character to help him out.

"What'll ya pay?" asked Duane

"I'll pay what you're worth," said the farmer.

Duane thought awhile and then replied, "I'll be darned if I'll work for that."

Bud Johnson: "Yes, sir, that clerk of mine is one of the greatest inventors of the century."

Customer: "What did he invent?"

Bud Johnson: "Petrified motion."

Mr. Oliver Himley: "So that cornet provides you with your weekly income. Do you play in the band?"

Claus Bunz: "Oh, no! Dad gives me 50 cents a week not to play it."

Dorothy Hammer: "How did you lose your job at the dress shop, my dear?"

Shirley Watson: "Just because of something I said. After I had tried twenty dresses on a woman, she said, 'I think I'd look nicer in something flowing.'" So she asked her why she didn't jump in the river."

Louise Polking: "Changing a tire, eh?"

Bill Richards: "No, no, I just get out every few miles and jack it up to give it a rest"

MEET THE SPOTLIGHT STAFF

There are six senior reporters on the Spotlight staff this year. All of them were chosen from the members of Quill and Scroll. These students are given a certain assignment to write every week, and it is their job to make the article interesting. Incidentally, these six seniors are Margene Drees, Donna Joens, Claus Bunz, Richard Rix, **Pete Petersen** and Allen Eich.

Margene Drees is an ambitious and willing worker in any task that might be given to her. She belongs to both Pep Squad and Quill and Scroll, and she also participates in other extra-curricular activities. She is an active member in both Catholic Youth club and the Manning Clovers' 4-H club.

Another girl on the senior staff is Donna Joens. Donna is an active member of Quill and Scroll, and was elected as assistant-editor of the yearbook, "Comet", by that club last spring. She has played in the various band groups for six years, and is an active member of Pep Squad. She belongs to the Manning Clovers, 4-H club and to Lutheran Walther League.

Richard Rix is a guy with lots of ambition. He is the photographer for the "Comet" staff. He is a member of band, vocal music, and Quill and Scroll; and is a willing worker in the senior class. He plays on the football, basketball and track teams; so that alone proves he is energetic as well as ambitious.

Pete Petersen, hailing from Botna, has proved that a small town boy can really make good in the "City." He has proved his efficiency in leadership by being the president of both the senior class and the local F.F.A. chapter. He, too, is a member of Quill and Scroll, and he participates in football and F.F.A. basketball.

Allen Eich, genial young man with a big smile for everyone, is another of the staff reporters. He is a member of Quill and Scroll and student council, and he participates in other extra-curricular activities. He plays football this year, and he was a member of the squad for the two previous years.

Claus Bunz, the last of our senior staff to be introduced, is well liked by the student body. His alert wit seems to always pep up the conversation. He is a member of both vocal and band music organizations, and of Quill and Scroll. He plays football, basketball, and is a member of the track team.

MEET THE ATHLETE!

This week we would like to introduce to you as "Athlete of the week" Allen Vennink. Allen, a senior this year, is the son of a farmer and plans to follow this occupation in his father's footsteps. He is a member of F.F.A. and says "Agriculture is my favorite subject because it will help me in the future."

Allen is 18 years old, 5 feet 8 inches tall and weighs 150 pounds. "Goose," as he is known around school, has played football for four years. He has lettered three years in football. It is his favorite sport because as he puts it, "Football teaches good sportsmanship and co-operation."

Allen's favorite food is fried chicken. The pop tune that is currently his favorite is "You Belong To Me." When you see Allen wearing a good deal of blue, you probably will know that the reason for this is because it is his favorite color.

The Spotlight salutes you, Allen, as "Athlete of the Week," and wishes you good luck.

Practical Knowledge of Many Farm Practices Will Be Realized**

Something new in the line of educational and financial activities is being tried this year by the local FFA chapter, which has rented 10 acres of ground on the Anselm T. Irlbeck farm for crop production. **Pete Petersen, chapter president, has appointed a six-man committee to oversee the work and coordinate the help of**

members. Advisor Norman Vandehaar said that already this field laboratory has provided a means for practical instruction. Last Wednesday, O.W. Kelly, county soil conservationist, met with some of the boys and talked on the purpose of SCS and then demonstrated laying out contour lines and contour plowing on the land. "Before the year is over," Vandehaar said, "the students will have practical application in contouring, laying out and seeding grassed waterways, soil testing, land judging, calculating the yield on various kinds of seed corn and other useful activities."

New Coaches Getting Acquainted With Lads

10 Lettermen in Squad of 31 Boys Out First Days

Coach Tannatt Expects More Late-Corners to Join Grid Ranks Next Week
With ten lettermen forming the nucleus of this year's gridiron machine in Manning, Coach Kermit Tannatt this week began sending his lads through fundamental warm-up and workout drills preparatory to selecting berths on the 1952 Bulldog eleven.

This being the first year in Manning for both Coach Tannatt and his assistant, Francis Miles, there is the problem of getting acquainted with the boys in uniform. But by Tuesday that chore was well along and the mentors were calling the 31 aspirants by their first names.

Limbering Up Drills

Although the majority of the roster has reported, Coach Tannatt said he is expecting a few more lads to report before he feels his string is complete. Up to now, they are no positions assigned and the Bulldogs are going through some stiff limbering up paces to get set for the diligent work of preparing for the season's opener here September 12.

Coach Tannatt likes to have his boys play from a short punt formation and he features a lot of punch and drive in his plays. From these first day workouts, he

feels there are promising candidates for key positions and their abilities will be given plenty of opportunity to sparkle in the next few days.

SENIORS HAVE PARTY

By Mary Lou Foley

In case anyone wants to know where all the noise was coming from the night of October 27, it was coming from the high school where the seniors were really going to town.

The class sponsors and their wives, Mr. and Mrs. George Triplett and Mr. and Mrs. Miles, were also present.

The evening of entertainment with Barbara Knaack and Mary Lou Foley in charge, started out with a contest in which two groups competed against each other in putting proverbs together. The losing group had to pay the consequences naturally, so they acted out "Old Mother Hubbard" which they interpreted very well.

Passing an orange under the chin to each other proved to be a lot of fun. Claus Bunz wanted to do it again but there just wasn't enough time.

Dancing started off with a bang as Donna Joens and Merlin Ramsey took top honors in the potato dance. All came to the conclusion that they had practice in doing it. Claus Bunz took charge of the music, furnished by records for the rest of

the evening which consisted by a flash-light dance, tag dance, and a couple of multipliers.

At the close of the evening lunch was served by Cleone Schroeder, Shirley Vinke and Richard Rix. Richard also took various informal pictures during the evening. Meet The Athlete!

This week the "Athlete of the week" is Claus Bunz. Claus is a senior this year in the Manning high school. He is 17 years old and weighs 160 pounds. He is 5 feet 9 Inches tall.

Claus has played football for three years and has received three 'letters' in that sport. He says, "Football is my favorite sport because it is a competitive sport and it provides good sportsmanship." His favorite subject is physics because, as he puts it, "To me physics is the most interesting of all the subjects.

Claus likes hamburger, steak, and French fries the best of all foods. His favorite color is yellow. His favorite movie star is Ava Gardner. The popular song he likes best is "Tenderly." His pet peeve are girls who don't keep their word'.

The Spotlite salutes you, Claus, as "Athlete of the Week" and wishes you good luck.

BELL ENTERTAINS MANNING STUDENTS

On October 30, Al Bell, noted lecturer and traveler, entertained the students of Manning Public Schools with another of his educational and interesting lectures. This year the theme of Mr. Bell's lecture was "Sons of Gaspé." This lecture dealt with the Canadian provinces of Nova Scotia and Quebec. In his lecture Mr. Bell showed various objects native to that part of the country such as a lobster trap, carved wood models of ships and people and a giant cart dog named "Jacque." This dog was only 20 months old and had already obtained a weight of 190 pounds. When full grown this dog will weigh about 250 pounds.

Along with his lecture, Mr. Bell showed a very fine movie taken and produced by himself. This movie showed how the people live in that part of the land. There were scenes of fishing, lobstering, various birds, the giant cart dogs, religious shrines, log rolling and many other points of Interest.

This was Mr. Bell's fourth consecutive year in Manning and all who heard him agreed that it was one of the finest of the many excellent performances he has given.

By Claus Bunz.

Wayne Vennink, what are you doing with lipstick on the back of your hand?

The kids in the eighth period assembly want to thank Kenneth "Red" Dammann for confessing to Mr. Miles about the B-B.

Maxine Sextro has a new secret desire. Was he at the Halloween party Wednesday night, Max?

Allan Eich surely seems to be having fun in the front of the assembly. Is this due to the fact that you are surrounded by girls? Mystery of the week: Who gets up at six o'clock in the morning just to make phone calls? Shirley Sextro, Cleone Schroeder, Maxine Sextro, Corrine Sander, Arlene Mohns, Ruth Sextro, Margene Drees, Darlene Sextro and Shirley Vinke would like to know.

Pete Petersen, if you are going to use your car for a taxi you had better get a bigger one. According to latest reports twelve in a car is a little crowded.
