

Most of the volunteers led judges to their rooms, took any requests or questions about the facility and refreshments. They would go and get contestants from the holding area (In the Gym) and escort them to the contest room. Some of the volunteers also had to escort candidates from the holding room to the bathroom as well to ensure integrity of all the contests. Alex Galati also helped with the sound booth in the auditorium during the delegate business session.

High School and Junior High School volunteers.
