EDITORIAL

Attention, graduating class of 1950!

You are now nearing the end of your 12 or 13 years of hard, toilsome school work, as some may put it. You now have a great responsibility before you as you are now on your own. You no longer have anyone to look after you, and in case of money shortage or whatever else may crop up, you will have to face it yourself: Mother and father are not going to be there to help you out. One may say, "Oh, well, it is easy to find work, or if I can't find a job, I'll just go home and stay until I can find one." Now is the time for you to start looking after yourself and you are the one who is to do it, not your parents or relatives.

While you were small and during your school days, your parents, your teacher, your sisters and brothers, and many friends were always trying to help you. Now you must make a great decision, what you want to do, and how you are going to do it.

One may say while he or she is going to school, "I will be so glad when I graduate, no more school, no books to carry around, no more U's in deportment, and above all no teachers to tell me what to do." This may all seem good to you now, but later in life you will ask yourself this question, "Why didn't I put more effort in my school work, and spend less time for pleasure?"

Whatever occupation or career you may choose, always remember the good days in Manning high and all the fun you had.

Good luck in whatever you may choose

SENIORS GO TO VEISHEA SKIP DAY

Friday morning at 6:30 all of the seniors were wide awake and ready to begin their journey to Veishea. The meeting place was to be the Memorial Union at 9:00 o'clock where a mass meeting was held and all were told where to meet the different groups, such as engineering, home economics, agriculture and veterinary medicine, for a tour of the open houses in their specific fields. After this everyone visited the places of particular interest to them. There were 76 buildings in all which one could visit.

Some of the interesting highlights of the trips through the open houses were: the beating heart in the atomic energy building, 3-day old rats in the home economics department, dairy industry building, and the large well-equipped library.

Canoe races held on Lake LaVerne attracted many. After lunch everyone either attended Vaudville, which included four plays given by three fraternities and one sorority, or the baseball game. Nebraska State played Iowa State with Iowa State winning 7 to 6.

Stars over Veishea was attended by everyone in the evening. The theme was "Report to the Nation." This was over at ten o'clock and everyone left for home at once except for a few who could not find their passengers

By Marlyn Gruhn and Phyllis Musfeldt.

TEEN CHATTER

Donald Wegner: "Tell me about the track meet."

Bob Genzen: "Oh, no! I never tell racy stories."

Vernon Godiksen: "What's the secret of popularity with girls?"

Donald Horbach: "If you want them to fall for you, take them to skating rinks, Denison is just fine."

La Rae Weems: "Gee! I wish I'd lived in prehistoric times."

Miss Hamman: "What for?"

LaRae: "What for? So I wouldn't have to learn history, of course."

Mr. McGrath: "Construct a sentence containing the word pilfer."

Pat Kasperbauer: "Mother has a pilfer me every night."

Marlene Kroeger's mother thought she heard Marlene come in one morning at about three o'clock. She asked her about it at breakfast.

Marlene replied, "The clock started to strike eleven, but I stopped it, fearing it would disturb your rest."

It seems that Margaret Schrum has quite a hard time keeping things in her hands. Especially typewriter erasers!!!

QUESTION OF THE WEEK

What is year opinion of having a separate paper for school news?

Marlene Horbach: While we had it when I was in junior high, everyone was more interested in it, and there was more about the school activities. Therefore, the separate paper is much better.

Bob Genzen: I can keep the separate paper and read it when I am old and gray. The separate paper is the better between the two.

Myra Schroeder: I think a separate paper for school news is more interesting than when it is published in a public paper. If we had a separate paper we could keep them and read them in later years.

Don Wegner: I think it would be a good idea to have one again. We had one when we were in junior high, and I think it went over pretty good. There would be more room for school activities.

Joyce Stuhr: I like the idea. It will probably be more work, but it will give more kids a chance to work on it.

Russell Spies: I think it's better to have the Spotlight in the Monitor. There are many people who don't have children in school, but are interested just the same. If we published a separate paper, only the students and their parents would get to see it.

Ruth Wellendorf: I think it would be all right to have a separate paper because there would probably be more in it about high school activities, and also would be interesting to work on.

SENIOR STUDENT WINS SPEECH HONORS

Manning high school speech student Marilyn Popp won a number two rating at the pre-district speech contest held at Rolfe, Iowa, on Tuesday, March 7. This is the fourth year Marilyn has participated in the dramatic division of the declamatory contests.

In her freshman year she gave "Beethoven's Moonlight Sonata" and won a II at the elimination contest in Manning. "Joan of Lorraine" was the reading she chose to give while a sophomore and she won a I rating at the elimination contest and a II rating at the preliminary contest held at Denison.

In her third year of speech work she gave "The Darkest Hour" on which she received a I rating at the elimination contest and a II at the preliminary held at St. Angela academy in Carroll. In this contest she competed against Katherine Hausmann who was a state winner that year. This year Marilyn gave "The Dead Heart," She received number I ratings at the elimination contest at Manning and Carroll which qualified her to enter the pre-district contest at Rolfe where she won a II rating. Her instructor during these four years was Miss Rosemary Gleason who coaches all declamatory students in Manning.

TRIO SINGS

The girls' trio composed of Sally Schrum, Margie Kienapfel and Marjorie Rowedder sang March 6, at the Woman's club meeting held at Mrs. A.D. Wiese, and also at Zetetic club in the home of Mrs. Louis Schelldorf with Mrs. Jeri Bruck as hostess. They sang two numbers, "Strawberry Fair" and "Grandma."

Hmmm - It is rumored that Gary Nady has a new week end interest. It's too bad that Harlan isn't closer to Manning, Gary!

Canasta has certainly become a popular game with Milo Sander - especially since Donna Joens has also learned to play this new game.

TYPING

The typing classes have been showing considerable gain in speeds this semester. Those in the senior typing class with the highest speed in one minute tests are Phyllis Musfeldt with 76, Shirley Ohrt 83, and Dick Mincey with 80 words a minute.

Pupils in the junior class showing the highest speeds are Phyllis Jensen 70, Joanne Lamp 66, Margaret Schrum 64, Joan Wilhelm 64, Marlene Lohmeier 62, Don Wegner 62, Marlene Horbach 61.

During the half of the Scranton-Manning game the people were entertained with dances given by Miss Ellie physical training classes. The dances they did were the Charleston, Jitter-bug, Rhumba, and a Square Dance. Myra Schroeder, Joann Rowedder, and Verna Swank also acted out the Andrews Sisters act to the recording of "Winter Wonderland."

Some other entertainment you will be seeing at the basketball games will include:

December 29 Vacation begins.

December 27 Teenager dance.

January 6 Bayard basketball, there.

QUESTION OF THE WEEK

What are you planning to do over Christmas vacation?

Verna Swank: I intend to eat and sleep over Christmas vacation.

Charles Fielweber: Over Christmas vacation I think I'll hibernate.

Myra Schroeder: I'm going to catch up on my sleep and have some fun.

Dean Vollstedt: I am going to eat and sleep and work If necessary.

Virginia Hansen: There isn't much else to do but eat and sleep,

Russell Spies: I plan to hunt and trap.

Dick Mincey: Sleep most of the time, I guess.

Marlene Horbach: I plan to eat a big Christmas dinner and take the rest of the vacation to wear it off.

Phyllis Musfeldt: I don't know. I suppose I'll, probably work all week.

What do you want from Santa for Christmas?

Rosemary Hinz: A manual on how to drive a 1936 Ford or a 1937 blue Fleetline Chevrolet.

Ardella Frahm: I wish Santa would bring us a larger kitchen! When Lyle and Stanley discuss basketball during meals, they aren't satisfied with merely telling about techniques, but they always have to illustrate, and everyone has to move so that Stan can crawl out from behind the refrigerator!

Sharon Ochsner: I would like some money so I could go to Hastings, Neb., to see a friend.

Joann Rowedder: I would like a corduroy jacket but most of all I want dietrim pills.

Wava Lacy: I would like a nice long visit from Omaha.

LaVonne Hargens: I would like a few visits; two from Glidden and from Des Moines.

Leland Kienast: I want a new Buick so I can go up north. By Lois Fischer.

MEET THE SENIOR

Say "hello," to Dean Vollstedt, a 5'9" senior with light brown hair and blue eyes. He is taking the general course and likes speech the best, because it will prove useful in everyday life. Dean, who is an enthusiastic athlete, has made a hobby of collecting clippings of Manning's games and also reading about sports wherever he can find useful information. Basketball is his favorite sport, because it teaches sportsmanship, a quality which Dean believes is very important to every fellow. He says that he enjoyed the Sadie Hawkins' dance more than any other high school event this year. Many of Manning high's students have called Dean "that lovable sort of fellow," but his official nickname is "Wormy." After graduating, he plans to join the navy or work on a farm. Good luck in whatever you do, Dean!

Tenth Grade Home Economics Girls Have Party

Sophomore homemaking girls held their style show Thursday afternoon, 'Dec. 15, at which time all the girls modeled one or more garments they had completed this semester.

The style show started at 2:30. After the show, lunch was served, which consisted of lemon chiffon pie and coffee or milk. The girls exchanged gifts and presented Mrs. Christine Sanders, their instructor, with an orchid and a box of candy.

Guests of the girls were their mothers and the Ninth Grade girls. The following guests were present: Mrs. George Jackson, Mrs. Paul Boell, Mrs. Mamie Schmidt, Mrs. Charles Stuhr, Mrs. John Kasperbauer, Mrs. Alvin Gray, Mrs. Art Bock, Mrs. Fred Hansen, Mrs. Henry Bonnesen, Mrs. Harry Nulle, Mrs. Henry Kruse, Mrs. Walter Bornhoft, Mrs. Lester Andresen, Mrs. Lester Genzen, Mrs. Ray Witt, Mrs. Charles Nissen, Mrs. Louie Hansen, Mrs. Leo Hagedorn, Mrs.

Frank Meggers, Mrs. Emil Martins, Mrs. Arlo Pfannkuch, Mrs. C.W. Steneker, and Mrs. Myron Lund. By Ruth Schmidt.

MEET THE SENIOR

Miss Ethel Leinen, a 5'3" senior with dark brown hair and brown eyes. She is taking the general course and when asked what her favorite subject was she replied, "I like all of my subjects, but office training is my favorite. The variety of things we learn makes it interesting." Her hobby is reading, especially old books written before 1920, and the school activity which she enjoys most this year is band because she likes music and the various trips that are taken. She says that basketball is her favorite sport because you can keep track of the players better than in football. "I like watching the teamwork with which the boys play and also because it is played inside." Ethel's plans after graduation are indefinite.

SPORTSMANSHIP

Basketball is now here and so is the chance to show that we, the people of Manning are good sports. It is easy to be a good sport but some people do not take time to practice it.

Good sportsmanship need not be used as a cloak, to be put on for a few minutes at any game and dropped off as soon as Manning is behind a few points or one of our boys makes a foul.

You go to the game to enjoy it but somehow a bore was admitted by mistake and he soon is complaining about every little mishap. More and more people join in on the chorus of boos amid groans. This is what they call "following the mob."

This conduct is very disorderly for anybody. Parents send their children to school to learn to be lads and gentlemen in addition to studying.

The groans and moans disturb the other spectators as well as the players on the floor. The player would rather hear people cheering than groaning.

Our school is judged by the actions of its pupils and teachers so though you feel like groaning, just grin and bear it. This attitude may become a good fad and it may also cheer our team on to victory.

Let's put Manning on the top of the list in good sportsmanship.

By Carol Petersen.

MEET THE SENIOR

Meet Dorothy Lake, a 5'4" senior with dark brown hair and blue eyes. Dorothy's cheerful and friendly personality has won her many friendships. She is taking the commercial course with biology as her favorite subject because it gives especially interesting and useful knowledge. Dorothy claims that she doesn't have a hobby, but the senior girls know that she a great talent for giving holiday parties. She is also enthusiastic about school events and about the Junior-Senior banquet to which she is looking forward, she says, "I can hardly wait. I had such a gay time last year and hope to have the same this year. I believe that is the prettiest event of the year!" Dorothy, who has recently been nicknamed "Dort" doesn't have any definite plans after graduation, but she would like to work in Manning. The best of luck to you, Dorothy!

MEET THE SENIOR

Meet Don Horbach, a 5'7" senior with brown curly hair and blue eyes. He is taking the general course in school, and speech is his favorite subject, because it

helps develop self-confidence and teaches poise, which is important in many kinds of work. It also gives pupils a more fluent command of the language. Don, who is known by his friends as "Curly", likes hunting and fishing, and he usually finds time for both of these out-of-door sports during the summer and winter months. About basketball, which is his favorite sport, he says, "It's good form of exercise, it develops sportsmanship, and it gives the fellows opportunity to meet fellows with the same interests in other towns." Don has said that his favorite school event is the Junior-Senior banquet, and he is especially looking forward to this year's banquet, because it will be the climax of his high school years. After graduation, he wants to do one of two things: enlist in the navy or attend a trade school. Good luck in whatever you decide to do, Don.

DO'S AND DON'TS OF DATES

A person can think of a date as being like a game, it comes easier if you know the rules. The rules differ according to the date type, single, double or crowd affairs. On single dates take ten minutes out before pickup-time think of a few things to talk about, especially if this is your first date with the girl or boy. Think about a movie you have seen a good book you read, or something you and your girlfriend did during the day. Do try to get to know your date. Find out his or her likes and dislikes and remember them, then on future dates when you talk about things you know he or she agrees with, your date will be flattered to think you remembered.

On double dates, do be willing to change your own plans if the other couple shows up with a good idea. Have suggestions of your own but keep them to yourself and don't make any plans until you find out what the other daters want to do. Don't try to be the whole party by hogging conversation, demanding attention and trying to make time with somebody other than your date.

On crowd dates, treat your date to a little extra attention. Don't go crowd crazy if the gang stops for lunch. The very fact that you arrive in numbers is going to attract enough attention.

By Marlene Lohmeier.

Mrs. Hugelback: Another bite like that and you will have to leave the table.

Leon: Another bite like that and I'll be through.

Don to his father

Don Puck: If a boy is a lad and he has a step father, is the boy a stepladder?

Have any children, Mr. Smith? "Yes, three daughters!"

"Do they live at home with you?"

"Not one of them, they are not married yet!"

Welcome, sophomores. We remember the day way back when our class, one of the greenest groups ever to seek higher knowledge, entered high school.

Although you might have found those first few weeks a bit dull and dreary, you will soon make up for your lost fun as you get acquainted with your schedule.

There is only one thing about it and that is you have now become ladies and gentlemen!!! After your experiences have been broadened, you will find out that this isn't so bad. Instead of saying, "We welcome you freshmen," we'll be more grown up about it and say, "Hats off to the class of 1952!"

List Rosters In Vocal Department

Music classes are now underway under the direction of Miss Esther Stryzewski.

The roster for mixed chorus includes: Beverly Ruhde, Sally Schrum, Florence Hammer, Carole Jean Petersen, Margie Kienapfel, Marjorie Rowedder, Rosemary Bock, Cheral Andresen, Shirley Ohrt, LaRae Weems, Janet Bonnesen, Marlene Kroeger, Joann Wilhelm, Marlene Lohmeier, Rosemary Hinz, Gay Hockett, Shirley Sextro, Mary Lou Foley, Dorothy Hammer, Marlene Anthony, Lynn Rix, Stanley Frahm, Deanes Rowedder, Bill Jensen, Richard Rix, Gene Martens, Kenneth Graves, David Grundmeier, John Pratt, Lyle Frahm, Claus Bunz, Allan Rix, Charles Fielweber.

Girls' glee club roster Includes: Beverly Ruhde, Marlene Anthony, Dorothy Hammer, Mary Lou Foley, Shirley Sextro, Gay Hockett, Rosemary Hinz, Marlene Lohmeier, Joann Wilhelm, Marlene Kroeger, Janet Bonnesen, LaRae Weems, Shirley Ohrt, Cheral Andresen, Marjorie Rowedder, Margie Kienapfel, Carole Jean Peterson, Florence Hammer, Sally Schrum, Shirley Watson, Lois Struve, Adele Gray, Janice Popp, Cleone Schroeder, Barbara Knaack, Donna Joens, Genelle Kruse, Rosemary Bock.

Newcomers

Anita Ludemann and Claudia Anderson are two new members welcomed to the junior class. Anita came from Charter Oak to a farm 5 miles southeast of Manning. She is taking a commercial course.

Claudia, who moved to Manning from Boone, is taking shorthand, general science, American Literature, and typing. She enjoys music and plays the piano in her leisure time. Both girls are taking the drivers' training course.

Milo Sander, a senior with an athletic reputation from Audubon, has moved to Manning. Milo, who lettered in football at Audubon, was unable to join the Manning football team because of eligibility, but is looking forward to being on the

basketball squad. Milo is taking advanced algebra, economics, English and second-year typing.

Student Council Meets First Time

The first meeting of the 1949-50 student council was held Thursday morning after election of representatives from the sophomore, junior, and senior classes.

The purpose of this organization is to make it possible for the students to plan the activities and to bring a closer relationship between the students and the faculty.

The following members were chosen from their respective classes: Sophomores: Russell Spies and Lois Struve; Juniors: Stanley Frahm and Marlene Kroeger; Seniors: Marlyn Gruhn, Phyllis Musfeldt and Dean Vollstedt.

Carryovers from last year's student council are Joann Wilhelm, junior, and Sue Ann Clark, senior. Mr. George Triplett is the faculty representative and Miss Marie Perkins also attends the meetings.

The following officers were elected at the meeting: President, Sue Ann Clark; vice president, Joann Wilhelm; secretary-treasurer, Russell Spies.

The student council has decided to hold a meeting every Tuesday at 12:50 p.m. Other meetings will be called when special business is brought forth.

FFA Greenhands Are Initiated

The Manning Chapter of Future Farmers held monthly meeting for the purpose of initiating the Greenhands. The following business matters were conducted: It was decided that the turkey raffle will be held again this year, the parent and teacher banquet will be held this year, and there were five members chosen to be candidates for the district meeting at Atlantic. They are Donald Pfannkuch, Leland Kienast, Allen Joens, Dean Stribe and Allen Vennink. Mr. Schnirring will lead a half hour discussion. The things that will be discussed there will be on leadership.

Later we had the initiation of the Greenhands. They were Glen Branning, Daryl Genzen, Roger Hansen, Wilbur Jahn, Dareld Kracht, Roland Meeves, Jack Mohr, Pete Petersen, Lewis Puck, Glenn Singsank, Melvin Sinow, Norbert Stoberl, Merlene Thompson and Allen Vennink. After the ceremony all were invited to the agriculture room to see picture show on dairying.

QUESTION OF TEE WEEK:

Should the drivers' training course students receive credits for their work as in any other high school course?

Miss Hamann: I certainly think that it is a good thing. It is incentive for young people and encourages them to be better citizens.

Richard Zerwas: Yes, credits would encourage more students to take the course. What good is an education after you have gone out on the highway and killed or injured yourself in a car?

Margie Kienapfel: No, because no period is set aside for it during the day. Everyone must take the other course offered in school, but you don't have to take the drivers' training course unless you prefer to take it, so I don't think the students should receive credits.

Richard Mincey: No, because we are unable to have a regular class period for the course. It is really just a course for your own good.

DRIBBLES

Don't worry if your job is small

And your rewards are few;

Remember that the mighty oak was once a nut like you.

Social tact is making your company feel at home, even though sometimes you wish they were:

Time marches us "Tho' they had never met B4

What cause had she 2 care

She loved him 10derly, because He was a 1,000,000 aire.

Miss Myra Hamann: "What do you know about Atlas?"

Merlin Nulle: He was the world's greatest gangster."

Miss Hamann: "Gangster?

Where did you get that idea?" Merlin Nulle: "The history book says he held up the world."

Mrs. Hansen: "Bob, I thought I told you never to do anything to your brother unless you counted to fifty first, and here I find you holding him a closet."

Bob: "I am counting to fifty, but I want to know where he is when I finish."
Some sports are like shoes. The cheapest one squeaks the most loudly.
ADVICE TO BOYS: Running after women never hurt anybody - it's the catching them that does the damage.
Russell Spies: Can you fight?" Arthur Kruse: "No."
Russell Spies: "Come on then, you scoundrel."
The way to have a friend is to be one.
Two New Kitchens Make Six Units
Two new kitchens were installed in the homemaking rooms this summer. There are now six kitchens fully installed with stoves, sinks, cupboards and work tables. The 23 girls in the sophomore class have been canning peaches, pears, and tomatoes. Thursday, a lady demonstrated the use of cosmetics to them. The girls plan to sew the rest of the first semester and cook the second semester. Mrs. Christine Sanders, the homemaking teacher, has purchased material which the girls will sew to make curtains.
In the afternoons, of last week, groups of women canned peaches and pears in the homemaking rooms. These are to be used for the hot lunches.
List 20 Students In Driver's Course
The drivers training class had its first meeting Thursday, September 15. A test, which was a sample of the one given to obtain a drivers permit, was taken. The examination for the driver's permits will be taken Thursday, September 22 if a patrolman will come at that time.
The following persons are enrolled in the class: Betty Popp, Claudia Anderson, Marlene Horbach, Fern Weller, Shirley Ohrt, Margie Kienapfel, Sally Schrum, Richard Boell, Dick Mincey, Miss Vera Macumber, Virginia Swank, Rosemary Hinz, Janet Bonnesen, Anita Ludemann, Ethel Leinen, Beverly Ruhde, Dick Zerwas, Robert Boell, Miss Myra Hamann, Miss Marjorie Chalmers.

Homecoming Big Event

Homecoming in Manning was held October 7 under the direction of the local student council. At 3:15 a beautiful and clever parade, led by the band, marched through Main Street. Floats representing each class and school organization and cars containing the queen and her attendants, all dressed in sweaters, faculty, grade children in clever costumes, and the football boys all followed the band. In the evening Manning played Bayard, defeating them 25-6. The gridiron was decorated to carry out the student council's home-corning theme "Let Me Call You Sweetheart." At the half, the band did several snappy maneuvers ending by forming a heart.

Two yellow convertibles, one with the queen and her attendants, and one with the crown bearers; Barbara Bruck and Billy Donaghu, moved out to the center of the field, where the queen, Sue Ann Clark, was crowned by Dean Stribe, Manning's captain.

The queen's attendants were Ardella Frahm, Rose Ann Muhlbauer, Phyllis Musfeldt, Marjorie Rowedder and Marlyn Gruhn. The girls were dressed in pastel colored formals which blended beautifully. The queen's party circled the field after the crowning followed by the three prize winning floats.

After the game a dance was held in the high school gym which was decorated to carry out the "sweetheart" theme. In the center of the dance floor was a large crown on a satin pillow, red and white streamers from each crown pointing to the ceiling, formed a large pillar. The walls were decorated with red and white streamers and balloons.

Girls' P.T. Classes Have Busy Year

The girls Physical Training classes have been active this first six weeks of school. In addition to the usual exercises and softball games the girls sold programs at the Carroll-Manning football game. The profit, \$36.45, will help pay for the lockers which were installed in the shower room this fall. Miss Ellis, P.T. Teacher, stated that an exhibition would be held next March with both boys and girls gym classes participating.

QUESTION OF THE WEEK

What is your favorite sport? Why?

Phyllis Musfeldt: I like basketball the best because you are able to watch them more closely and thus have a better understanding of the game.

Dorothy Lake: I like basketball best because I know more about it than any other sport so I think it is more interesting.

Wava Lacey: I like basketball best because the game is so much easier to understand and to follow and at least you don't freeze to death as you do at a football game.

Margie Kienapfel: I like basketball the best because it is held inside. I think it a more interesting and understandable game.

Beverly Ruhde: I like basketball because the game moves so much faster and it is easier to see what is going on since the players are closer to the crowd.

Speed Demons Set Pace In Typing

Bang! Bang! Bang! The junior typists are off to a good start. After only six weeks of school they are making the seniors work, several of them have almost as high speeds as some of the seniors. Those with the highest rate of speed are:

Stanley Frahm 35 words per minute.

Marlene Lohmeier, Marlene Kroeger, and Virginia Swank with 32 words per minute.

LaRae Weems, Lois Fischer and Joann Wilhelm with 30 words per minute.

The seniors are also doing very well. They have taken both one five minute tests with some of their highest speeds for a one minute test:

Shirley Ohrt and Phyllis Musfeldt with 71 words.

Richard Mincey with 69.

Rosemary Hinz with 68.

Sally Schrum with 65.

For the five minute tests with 3 or less errors:

Richard Mincey with 58.

Shirley Ohrt with 56.

Phyllis Musfeldt with 49.

Marlyn Gruhn and Ethel Leinen with 48.

The junior shorthand girls are studying new vocabulary words and learning brief forms. The senior girls have been taking dictation at the speed of 60 words per minute. Beginning this six weeks they will try to get 70 words.

MEET THE SENIORS

Meet Marilyn Popp, a 5' 7 1/4" senior with brown hair and brown eyes. Marilyn is taking the general course in school, and her favorite subject is physics because it is a challenge with all its problems. When asked about her hobby, Marilyn replied, "I like to sketch pictures and travel." Her favorite sport is basketball, because it provides an outlet for excess energy. After school she plans to attend college, but is undecided as to the course she will take. The best of luck to you, Marilyn!

Charles Fielweber, a 6' senior with blond hair and green eyes, is taking the general course in school. Charles likes speech the best of his subjects because it is different from any other subject offered in high school, and it will have a great effect on later life. Collecting odd pipes is Charles' hobby. When sports were mentioned to Charles he said, "I like football because it is a greater test of one's ability, both mentally and physically than any other sport. Charles has no definite plans after graduating. Good luck, Chuck!

Enthusiasm High At Pep Meeting

The student body gathered in the Manning High School Thursday evening, October 6, the night before homecoming, for their large annual pep rally.

The rally was begun with several yells led by the cheerleaders. The pep band then played several selections, one of which was "Wabash Blues" featuring Deanes Rowedder and Stanley Frahm on their trombones.

A ghost story was told by Marilyn Popp while Cheryl Andresen and Robert Genzen acted as the heroine and hero and narrowly escaped disaster. This was followed by a talent review which featured Lynn Rix as a singer in Spike Jones' band, and he also imitated Al Jolson. The records played backstage while Lynn pretended to be singing the selections.

Coach Stenecker who followed this hilarious skit with a pep talk mentioned that he was enjoying the pep rally immensely. Lyle Fuss then gave a pep talk and included some jokes. There were more yells, and the students ended their program by singing the Loyalty which showed great enthusiasm for the Homecoming festivities.

After the program, the cheerleaders led the group in more yells around a blazing bonfire. The rally was concluded with a snake dance led by the football players and more yells on Main Street.

EDITORIAL WHY WE SHOULD GO TO CLASS

Why should we go to class when we would like to meet with this or that committee so that no extra time must be spent after school?

When we are willing to sacrifice a few minutes of our leisure time after school in order to finish some other business which we sometimes use as an excuse for skipping a scheduled class, we are showing our interest in the subject. And, of course, the teacher or instructor will show more enthusiasm if he knows we are interested. Therefore, he will prepare a better class discussion topic or lesson from which we will benefit greatly.

A second reason for resolving to go to class is that we will progress or learn more rapidly by covering more material. For instance, when we miss class frequently we are always a few steps behind those who attend regularly, because we don't learn the facts from day to day and are often trying to establish facts in class the day after missing which we should have known the day before.

Finally, when teachers give assignments for the next day we are expected to follow these instructions. Often when we miss class we are misinformed by other students as to what the assignment was, and sometimes we fail to get our assignment and must come to class the following day with nothing prepared which proves that we are lazy.

Going to class everyday means a better education and less last minute studying when test time comes.

New Accessories For M.H.S. Band

When the Manning band is marching in full uniform and white flashes are seen as it goes by it means the band members are proudly wearing the new white gloves and spats.

The spats and gloves were ordered last summer and arrived just in time to be worn at the Manning-Carroll football game. Eddie Johnson, of the Brown-McDonald store, demonstrated how the spats were to be worn. He also showed the members how to manipulate the old-fashioned button-hook which came with the articles. Although many of the kids' grandmothers probably had more experience in using them, Eddie did a fine job.

Although the Carroll team beat Manning's, many people felt proud that the flashy Manning band, complete with spats and gloves, outshone Carroll's High School band during the half-time period.

Which of the magazines in school interests you most and why do you like it?

Rosemary Hinz: I like all of them. My two favorites are "Mercury" and "Life."

"Mercury has small but interesting articles in it although a few of them are rather hard to understand. Mr. McGrath, our English teacher, says that "Life" is popular for the cover, but it has very good articles in it too.

Vernon Godiksen: I like "Life" the best, because of its interesting article as well as pictures.

Marilyn Popp: I prefer "Life" of the magazines in the assembly, because of its picture stories. However, I think that the magazines in the English room are interesting and educational. Two of the most outstanding of this group are the "Atlantic Monthly" and the "Saturday Review of Literature." These two magazines review books and feature articles by the best literary artists of our time.

Lynn Rix: There are a lot of magazines from which to choose. I would say that the students have a lot of research material. I like "Life" perhaps the best of any of them. From it students can obtain nearly any type of material for any assignment from the teachers. A few of the interesting fields covered by "Life" are the news field entitled "The Week's Events," music, art, fashions, animals, modern living, developments of science, and the medical world." "Life" also has splendid pictures and is a magazine that should be read by all.

Ethel Leinen: I like the "Life" magazine because it has fashions, science, and current events from all corners of the earth. It also has interesting pictures.

Driving Gets Under Way

Have you seen a car go "jerking" down the street lately, a white one with that "Drivers Training Car" sign on it? Yes, the students are out practicing driving now.

The written test was passed by all members and driving permits have been issued.

The young drivers are having quite a time stopping going up those steep hills and getting started again (the "thing" always does the wrong thing). Backing isn't too easy for some either, but everyone seems to be getting better. The next try will be parking on Main Street, so "Beware"!

Here's hoping all get their license after the training is over and as a whole gain valuable experience from the course.

Quill & Scroll Was Organized

Election of officers was held at the first meeting of Quill & Scroll. Marilyn Popp was elected president, Marjorie Rowedder, vice president, and Ethel Leinen, secretary-treasurer. After the meeting the group enjoyed games and lunch was served. By Sue Ann Clark.

EDITORIAL LET'S MAKE DRIVING SAYER

Do you value your life? Well, then, are you a safe driver? Usually the people who try to be the safe drivers and consider others are injured, because there are

some that are just plain "roadhogs." They expect others to stop and get out of their way or else they will "mow" you down. Let's try to be more careful and help everybody live longer by cutting down on speed, observe all traffic regulations, and by using hand signals.

So, after this, Stop-Look-Listen and don't end up like the following ten little motorists.

Ten little autos,
road and weather fine;
one hit culvert
then there were nine.
Nine little autos, one a little late;
driver struck a railroad train
then there were eight.
Eight little autos
but one went to heaven
running through stop light
then there were seven.
Seven little autos
speeding through the sticks;
one skidded off the road
then there were six.
Six little autos
till one took a dive
through an open drawbridge
then there were five.
Five little autos,
one with rattling door;
driver tried to shut it
then there were four.
Four little autos,
one climbed a tree,
but didn't do it very well
so that left only three.
Three little autos,
one driver was a "stew"
loaded up on Highballs
that left only two.
Two little autos,
tried to beat the gun
when the warning signal flashed
then there was one.
One little auto
around the corner tore;
hit a truck
that's all there is;
there isn't any more!

MEET THE SENIORS

Lynn Rix is a 6'4" senior with hazel eyes and blonde hair. He is taking the general course in school. When asked about his favorite subject, he replied, "I like physics best, because it is a very practical course and is used in nearly every field or vocation a student may enter. I am especially interested, because I like mechanical sciences." Lynn's hobby is photography and he is appropriately called "the roving photographer of Manning high." After graduation he plans on joining the services or getting a job at some place other than Manning. The best of luck to you, Lynn!

Meet Phyllis Musfeldt, a 5'6" senior with blue eyes and dark brown hair. Phyllis is taking the commercial course in school, but her favorite subject is English. Phyllis says, "I am especially interested in English, because it will be a great help in college." Keeping a scrapbook of school events is her hobby, and she participates in many of the school affairs. After graduation she is very much interested in attending college. God luck, Phyllis, and continue your good work.

Entertained By Happy Al Bell

The Manning grade and high schools were entertained Friday afternoon, October 14, by "Happy Al" Bell in the high school auditorium.

This past summer, Happy and his family took a trip along the Alcan Highway in Canada with their station wagon. He told the students many of their interesting experiences and presented a movie which he titled "Along the Alcan Highway." This movie, which especially featured wild life, was filmed by Happy himself.

BOUNCING FOR ALL

"Now try a flip!" That's what Manning high school students who are in the gym classes urge their friends to do on the new trampoline which was recently purchased by the school.

From the latest reports, it is assumed that this new contraption is being enjoyed immensely! Most of the students were a little skeptical the first time they stepped on the trampoline, but many of them worked up enough courage to sit and also

bounce on their knees which was proved by the exhibition of skinned knees as well as elbows during the past weeks.

The girls squealed with delight as Joann Rowedder tried a belly flop and succeeded the first time. In the boys' classes, Donald Wegner was the first to be noted for his ability to do a complete flip in the air. As the weeks pass, new stunts are being attempted as the boys and girls begin to "get the feel" of this new trampoline.

Her hobby is keeping a music scrapbook and she is known to many of her friends as "Tilda." As for sports, she likes basketball best because of the worthwhile qualities such as sportsmanship and team work taught by it but she also likes golf as an Interesting summer sport. BAND TO GLIDDEN

The band packed all its instruments into two buses last Friday night, and went to Glidden to give a twenty-minute concert.

The other bands that participated in the band festival were Scranton, Coon Rapids, Manilla, and Glidden. Audubon, Bayard and Lake City were unable to attend.

After the concert a dance for the band was held in the old gym. The music was supplied by a twelve piece band made up of band instructors.

ATOMIC MOVIE SHOW

The students enjoyed a movie Friday on what to do in case of an atomic bomb. It showed the effects of the explosion both on the ground and ocean. They are both very dangerous so we should know what to do in case of a flash, which is a sign of the explosion. It gave examples of what to do when you are playing on a school yard, walking to school or work, or if you are at home. They have made experiments in many cities, which are helping the people very much. This movie is very important to us because then we know what to do in case of an explosion and can prevent damage.

SPYING ON OUR SENIORS OF 1950

Now that one year has passed since the seniors of 1950 graduated, they have gone to many different places. Some have found good occupations, some joined the service and still some are seeking for a higher education while some have found it best to stay at home.

Anyone wondering where these people are could find them at the following locations:

Sue Ann Clark: Iowa State Teachers college in Cedar Falls.

Ardella Frahm: Iowa State college In Ames.

Marlyn Gruhn: Receptionist at Manning Hospital.

LaVonne Hargens: Insurance Company, Des Moines.

Rosemary Hinz-Heuton: Married, living on a farm near Lidderdale.

Margie Kienapfel: Telephone operator in Manning.
Dorothy Lake: Bookkeeper at Manning Heating and Sheet Metal Co.

MEET THE SENIOR

We would like to introduce you to a senior with a very pleasing personality, Marlene Horbach. "Bunny," as she is known to her many friends, has sparkling blue eyes, brown hair, and stands 5' 3 1/2" in height. Marlene is taking a general course in high school, and says her favorite subject is office training, because it helps outside the office as well as teaching office work.

"Bunny" had the honor of being one of the homecoming attendants last fall, and has been one of the color guards of the marching band for the past 1 1/2 years. She has also been a member of the Pep Squad for two years. When she was asked about her favorite sport, Marlene said, "I prefer basketball, because it is

easy to understand, and it is played inside, so I don't have to 'thaw out' after the game. In her spare time she likes to dance, skate, or read. Marlene is still undecided as to what she will do after graduation. The best of luck to you, Marlene, no matter what you decide to do!

MEET THE SENIOR

Meet Carole Jean Petersen, more commonly known as "Shorty."

She is 5'3" tall, has hazel eyes, and is one of the fortunate people that has naturally curly hair. She is taking a commercial course, and prefers American history to all of her other subjects, because she is interested in the founding and development of our country.

Carole is a member of mixed chorus, in which she is an alto, and in glee club she sings second soprano. She is a member of Quill and Scroll, has been in pep squad for three years, and went out for declam in her freshman, sophomore, and junior years.

When asked about her favorite sport, she said, "I like basketball because you are closer to the game and it is easier to understand." Her plans after graduation are to travel and then become a stenographer. The best of luck in whatever you do, Carole!

Meet The Senior

One of the most active Manning senior boys is blue-eyed, blond Deanes Rowedder, the son of Mr. and Mrs. Les Rowedder.

Deanes is taking the college preparatory course and names physics as his favorite subject be cause it includes mathematics. He is an honor student, and has been a member of Quill and Scroll for the past two years. This year he is a member of the annual staff.

Deanes was elected vice-president of his class as a freshman. While a sophomore he led the group as class president. He was also selected as a waiter at the annual junior-senior banquet. During his junior year, his classmates

elected him as their representative on the Manning high school student council. The same year he attended Hawkeye boys' state as Manning's delegate. This year he is "business manager" of the annual yearbook.

He was a member of the high school play cast in both his junior and senior year, and last fall he took part in the high school operetta.

Deanes rates highly in both in instrumental and vocal music. He has been in band for nine years. During his high school year he has been a member of the marching, concert, pep, and dance bands. For three years he has played in the trombone quartet and the brass quartet. During his sophomore, junior and senior years, he played a trombone solo in the state contest and was awarded a first rating the last two years. He has been a member of the mixed chorus for six years; the boys quartet four years, and madrigal and the mixed quartet for three years.

Deanes, 5' 7" tall, has participated in every sport in the athletic department at the Manning High School and he has lettered in each. This year "Little Deanes," as he was named by many of the sports writers, was the speedy guard on Manning's top-notch basketball team. He has played football for four years; basketball four years; baseball four years, golf three years and track two years. Deanes best enjoys his leisure time participating in sports. His favorite sports are basketball and football because they are good, fast games in which a person can have a lot of fun. Other favorites of his include, prime rib of beef and the song, "At Last," by Ray Anthony. A pet peeve of his is, "people who boo at sports events."

After graduation Deanes plans to go to college.

Enjoy Refreshment

A pleasant interruption from the regular routine of classes Thursday was the distribution of free cokes by the Coca Cola Company. The company also gave the students pencils and rulers.

Band and Mixed Chorus Get Firsts

At the state music contest for large groups at Holstein May 3, the Manning concert band and mixed chorus got I ratings, while the glee club was rated a II. The band played "Allan-A-Dale" overture, "Glass Slipper" and "Storm King" march. The mixed chorus sang "Bless Ye the Lord," "If I loved You" and "Every time I Hear the Spirit." The glee club sang "Beautiful Savior," "Sleep and Rest" and "Oh Dear What Can the Matter Be?" The band is directed by Orville W, Harris and the vocal groups were under the direction of Miss Phyllis Porter.

Introducing

Pat Kasperbauer, a 5'4" blue-eyed blond, is the daughter of Mr. and Mrs. John Kasperbauer.

Pat is taking the college preparatory course. She says her favorite subjects are English and typing because they are both interesting and practical. Pat is active in many extra-curricular activities. She took part in declamatory contests for three years. She entered in the dramatic division in her sophomore and junior years, and oratorical and radio speaking in her senior year.

Pat was a member of pep squad for three years. Last fall when the G.A.A. (Girls' Athletic Association) was organized she was elected "point secretary" of the organization. She also was a homecoming queen attendant, and Manning's 1951 girls' state alternate.

She was a flag swinger in marching band for four years. Last year she was awarded a gold trophy for a flag swinging solo.

For two years she has been a member of Quill and Scroll and this year she is president of the organization. She is a member of the Annual, as well as the Spotlight staff. This year she wrote the "senior horoscope" and "senior will" which were given at the junior-senior banquet. In 1950 Pat was selected by the editor of "Seventeen," a national magazine, to collaborate with four other teenagers from various parts of the United States to edit a teen page for their magazine.

Two years ago Pat assisted in organizing the Catholic Youth club in Manning and has been president of the club both years. She is a member of the Junior Legion Auxiliary and is president of the organization.

Pat says her favorite winter pastime is reading and sketching, while her summer pastime is that of exploring the fields, pasture and creeks on the farm, in search of different types of birds, insects and water life.

Her favorite food is fried chicken and her favorite song is "Blue Tango" By Leroy Anderson.

Her plans for after graduation are to work this summer in Manning. She will enter Iowa State Teachers college at Cedar Falls this fall. Best of luck to you, Pat!

Larry Jahn: "Why is it you don't like girls, Wilbur?"

Wilbur Jahn: "They are too biased."

Larry: "Biased? What do you mean?"

Wilbur: "It's bias this and bias that, till I'm broke."

SPOTLIGHT ON THOUGHTS

Conscience doesn't stop you from doing wrong, but it sure takes all the fun out of it.

Success consists of getting up more times than you are knocked down.

Leaders are ordinary people, with extraordinary determination.

Men who try to do something and fail are infinitely better than those who try to do nothing and succeed.

How do you manage to stay awake, Myron?

Russ Spies is well occupied during his noon hours now. Must be nice to have your girl around. Is that right, Russ?

Has anybody heard anything about the Jim Davenport-Marlene Hargens romance? Better keep the fires blazing, Marlene.

A tenth grade girl has attracted a Westside boy. Namely, Audrey Leinen. His name is Charlie Launville.

Allen Rix and Duane Monson would rather spend their time at the junior high than in high school.

Waldean Jackson had a busy weekend. Need we say more?

TEEN CHATTER

Mr. Joe McGrath: "Give me three collective nouns."

Tom Musfeldt: "Flypaper, waste paper and vacuum cleaner."

Don Lacy: "Oh, not so had. I'm trying hard to get ahead."

Mr. Lacy: "That's good. You need one."

Teacher: Spell "Straight."

HOME COMING DANCE WELL ATTENDED

Friday night a stupendous crowd consisting of high school students, alumni and teachers attended the annual homecoming dance sponsored by the student council.

The dance honoring the queen and her attendants was held in the high school gym which was decorated in pastel colored streamers. Centered on the stage was the throne.

Music was furnished by the school dance band consisting of Director Orville Harris, Gene Martens, Deanes Rowedder, Richard Rix and Dick Zerwas, with Mrs. Harris playing the piano. Master of ceremonies for the evening was Russell Spies, president of the student council.

The song, "Let Me Call You Sweetheart" was played during the dance honoring the Queen, Joyce Stuhr and her partner; Gary Nady. They were joined in the dance by the attendants and their partners.

During the evening the queen and her attendants reigned from her throne for several dances. The homecoming festivities closed at midnight.

MARIE JOHNSON IN ALL-STATE BAND

Bright and early Saturday morning, Gene Martens, Richard Rix and Marie Johnson started for Red Oak to try out for all-state band. The homecoming parade and dance being the day before, they were a tired trio.

They arrived in Red Oak about 9:45 to register. Red Oak was one of the four towns in Iowa where these auditions took place. Some of the schools represented were: Abraham Lincoln (Council Bluffs), Shenandoah, Clarinda, Creston, Audubon, Harlan, Denison, Manilla, Carroll, Winterset, Woodbine, Shelby, Gray, Red Oak, Mt. Ayr and others. After all were auditioned a list of those selected was posted. Marie was chosen oboist for the band.

Those selected for the band practiced from three o'clock until five-thirty Saturday afternoon.

On Nov. 23 Marie will go to Des Moines to practice with over 200 musicians from the high schools of the state of Iowa. The all-state band will give a concert the evening of Nov. 24 in the KENT Theater. The conductor of this band will be Frank Piersol, the director of the Iowa State College band.

MAGICIAN APPEARS

Monday afternoon the Manning pupils were entertained by a magician. The magician, or conjurer, depends upon the fact that many things seen by the eye are not noticed by the mind. Magicians are also good actors. They have a real control over the things they want the spectators to notice. They can convince an audience that it has seen an object which was not even shown. But the magician must also be skilled with hands. What he does must always seem to be easy and natural.

First Mr. O'Day concocted a strange mixture of a raw egg, salt and Hadacol. He caused it to burn and then covered it with a lid. When he uncovered it, there was a live duck. He produced a black and white rabbit from a supposedly empty cylinder. He could connect large metal rings with a great deal of mystery by just sliding them together. No amount of pulling and pushing by his volunteer assistant could get them apart. The grand climax was the suspension of his wife

in the air while she was sleeping. All in all, it was a stupendous act. Everyone enjoyed it very much. By Alice Ahrendsen.

EDITORIAL

REFLEXIONS ON A PERSON'S CHARACTER

A pupil's desk may be indicative of his character. What does one think of a person when his desk is carved with initials and supposedly beautiful designs. We have a feeling we would like to meet him and when we did we would probably find him, either too ignorant to know any better or too nonchalant to care one way or the other.

These things don't have to appear in just a school desk; he may also deface other public property for the same two reasons, ignorance and nonchalance. He will probably walk in the assembly, throw his books on his desk and let them fall where they may; later he may be complaining that someone stole his papers or even his books. He may also show this example of laziness in his work. As a result he will probably be classed as a failure.

Another example of laziness may also be very untidy and this is a desk covered with chewing gum. What a filthy habit! It would be just as easy to put one's gum in a waste basket as trying to make it stick to varnished wooden seats. One couldn't expect this type of person to be the best in neatness. He may rate 100% as a neat dresser or one whose hair is always in place but his marks will certainly fall if he practices this bad habit. Compared to these types we should also take a look at a row of neat, well-kept desks. Seated in these desks we could expect to find well-groomed, intelligent persons. After all, how can one be so tidy in keeping a desk and so slouchy in his character. It seems one is either tidy or he is careless. A person's character can be judged easily by taking a glance at the top, back, and sides of his desk; also the arrangement inside the desk and the neatness of the books. By Genelle Kruse.

QUARTET TRAVELS TO AMES

Saturday a mixed quartet composed of Lyle Frahm, Duane Monson, Genelle Kruse, and Marlene Anthony went to Ames to try out for All-state chorus. They were selected by the judge to sing in the mass chorus at Des Moines on November 23 and 24. Practice from 2:00 p.m. to 4:30 p.m. was held Saturday at Ames.

ENTHUSIASTIC PEP RALLY HELD

On Thursday, October 18, the annual pep rally took place at the Manning high school.

It started off with the pep band playing the "Cheer March" and the student body singing it. Then the cheerleaders lead several yells.

Gary Nady spoke on behalf the team and Rosemary Bock for the student body. There was a dance given by five boys of the student body, namely, Merlene Thompson, Roland Valentine, Lyle Frahm. Duane Monson and Allen Rix. Shirley Watson and Phyllis Zerwas acted out the record, "Too Young" which was enjoyed by all

The sextet sang two numbers, "The Lullaby of Broadway" and "Wait till the Sun shines Nellie." Cheral Andresen and Shirley Watson then acted out a hilarious skit. The pep band played and the cheerleaders lead several yells between the

skits and other numbers. The pep rally was ended inside by the singing of the "Loyalty."

Outside the cheerleaders led several yells around the blazing bonfire. The snake dance started from there and went up through the Main street and in and out of some of the business places. The snake dance ended by forming a circle in the intersection on Main street where the cheerleaders led more yells and the "Loyalty." By Cleone Schroeder.

INTRODUCING

Kenneth Graves, "Smoky," a light-brown haired, green eyed, 6'1" senior.

Kenneth is taking a general course and he says his favorite subject is biology because it is easier to understand than other subjects.

Kenneth has played on the football team 2 years, on the basketball team 1 year and baseball for 1 year. He is a student council representative for the senior class this year.

His favorite pastimes are fishing, hunting, and trapping. His favorite sport is football because of the spirit and unity that goes with it. Kenneth's pet peeve is girls that wear boy's clothes.

Kenneth is undecided as to what he will do after graduation, but just the same we all wish him the best of luck and success!!!

COMING EVENTS

October 23 Band concert and card party

October 26 Scranton game, there.

October 31 Glidden game, here.

MANNING VS. COON RAPIDS

The Bulldogs won the homecoming game Friday, 26-14. Behind 7-6 at the half, the Bulldogs came roaring back to score 19 points in the last half to win. Roger Nielsen scored three times. Once on a 20 yard run and two more on pass plays of 4 and 20 yards from Deanes Rowedder. Rowedder scored one touchdown from two yards out and kicked two yards out and kicked two extra points. Bobby Shaffer scored twice on passes from Dick Textor and kicked two extra points for Coon Rapids' scoring.

SUPER SNOOPER

It seems Ruth Schmidt is getting up in the world. How did you like that college man date? Wow!

Has Manilla lost its charm, Mardel Bonnesen, or has Manning just added to its charm? Perhaps it is merely Jack Fuller that has the charm. What about it, Mardel?

Did everyone notice the couples at the Homecoming dance? Audrey Leinen and Bobby Neubaum, Richard Mullenax and Marie Johnson and many, many others. Welcome home, alumni! We're glad to see you back once in a while. We hope you enjoyed the Homecoming festivities.

Congratulations, Joyce Stuhr, our Homecoming Queen of 1951.

We hear Cheral Andresen just about missed the Homecoming dance. What happened, Gary Nady? Did you or Cheral get your wires crossed?

It seems that Lois Nissen likes to feed cats at her boyfriend's farm near Lake View. If anyone wants to know the proper way to feed a cat, just see Lois.

Thank you, alumni, for your excellent float in the Homecoming parade. We hear you had a little help from some high school people. Anyone know anything about it? Hmmmmm, I guess this is the end. I hope I haven't lost any friends- Goodbye for this week.

Super Snooper.

FESTIVITIES FOR HOMECOMING TOLD

The halftime performance at the annual homecoming game last Friday night was put on by the Manning high school band. The theme used for the evening was "Dads' Day."

The band entered the field in a straight line and formed a large V, while the twirlers and flag swingers did the same on the opposite end of the field. The band played a march and the twirlers and flag swingers performed.

The next formation was the letters P A, and the band then played "What's the Matter With Papa." A dollar sign was the next formation symbolic of what dad parts with the most. "That's Where The Money Goes," was the piece played by the band in this formation. The next formation portrayed dad's favorite spot every evening, a rocking chair, with the band playing "Old Rocking Chair."

A fishing pole was the next formation, with the band playing "Lazy Day," and pulling in a huge fish, which papa always tells about. A dog house was then formed to show what usually happens to papa when things go wrong. The next formation was that of a crown, for the crowning ceremonies. The band played "Let Me Call You Sweetheart," as the queen and her attendants entered the crown formation. The 1950 Homecoming Queen, Joann Wilhelm and her attendants then presented the corsages.

AMERICAN EDUCATION WEEK

American Education Week is observed each year in November, beginning on Sunday of the week which includes Armistice day. The first observance was held in 1921 as the result of a report made by a special committee on Americanism and Education appointed to cooperate with the American Legion. It is sponsored by the NEA (National Education Association), the American Legion, the U.S. Office of Education, and the National Congress of Parents and Teachers.

Purpose of American Education Week is to interpret the history, ideals, achievements, problems, and needs of our schools; and to arouse greater citizen interest in their well being and improvement. The general theme adopted for each year's observance for the past thirty years, has closely followed the main purpose. The 1951 general theme is "Unite For Freedom," with selected daily topics which are designed to inform the public of the accomplishments, problems, and needs of the public schools in permeating the theme.

The millions of children of preschool and school age represent the nation's most valuable human resources. The value of children is evident because the democratic culture of tomorrow is being fashioned out of the ideas and values these young citizens are learning in their daily development. Good schools are the people's durable investment in their community's and their nation's future. The American devotion to education has enabled millions of children to be housed in modern buildings, to use appropriate equipment and materials, and to have the guidance of teachers with higher professional qualifications. We can be pleased with this accomplishment, but we dare not discontinue in the next fifty years, our efforts to secure improvements in education.

American Education Week is designed for the purpose of informing the public of the accomplishments and needs of the public schools and to secure cooperation and support of the public in meeting these needs. This week has come to be the outstanding period of the entire year for educational interpretation and school visitation. Observance is held by schools, many organizations, and most communities. In respect to the persistent and pressing problem of the continuing international crisis, the 1951 theme, "Unite for Freedom," demands support not only of the schools, but also all other agencies, organizations, and peoples interested in the cause of democracy. F.F.A. HAS INITIATION

On Thursday, November 8, the Manning chapter of Future Farmers held their regular meeting. The formal opening ceremonies were used and the meeting was called to order by president Russell Spies. Secretary Pete Petersen took roll call and all except four members were present. Then a discussion was held on having another hay-ride. Everyone was in favor of it so the president appointed a committee to take charge. We also talked about our annual banquet which will be held November 13.

Initiation of Green Hands was the highlight of the night. First the formal exercises were used and then we asked each boy a question. If he failed to answer the question he received the F.F.A. brand which was a piece of dry ice against his heated back. Some of the boys went through a crawl line after which everyone enjoyed the refreshments offered by the organization. By Russell Spies.

The seventeen candidates, who upon the fulfillment of the requirements, will be initiated into Quill and Scroll in the traditional candlelight ceremony sometime in January are Vera Ahrenholtz, Margene Drees, Mary Lou Foley, Marlene Hargens, Donna Joens, Barbara Knaack, Carolyn Louisfield, Janice Popp, Betty

Education Today Has Many Needs

To maintain a high standard of living in a complex world, we must invest heavily in education. An individual feels more secure if he has had an opportunity for education. Our nation is equipped with vast stores of natural resources, which cannot be wisely utilized without the help of well educated men and women. Therefore, to make a nation truly great we must develop human resources. The teaching of the three R's is not enough in this atomic age. Today our schools strive to develop the personality of the child as well as his intellect. They prepare him for better citizenship and work. Such a program calls for modern equipment. It necessitates having smaller classes so that the teacher may meet each student as an individual.

The teacher plays an important part in the child's development consequently, only those persons with wholesome personalities, who are resourceful, skillful and imaginative should be teachers. The salaries paid to teachers must be sufficient to attract and hold capable people. Citizens of tomorrow will suffer because good teachers have sought other work which pays them adequate salaries. Investment in education is costly, but we generally get what we pay for. Thoughtful citizens know that leaders of tomorrow must, be trained in democratic principles. Our schools must be equipped to meet that demand. We spare no expense in training our men successfully for war. Should we do less in preparing our citizens for peace?

American Education Week provides a good opportunity for all, parents and interested citizens in the community to become better informed about the excellent work that the schools are doing for the youth of our nation. Plan to visit your school during that week. The teachers and administrators will be happy to meet you. Mildred Middleton, Elementary Supervisor for Carroll County.

Audrey Leinen: I think it's nice to have our parents and friends see how our school is operated.

Lyle Frahm: I like American Education Week, because it gives the parents a wonderful opportunity to see how our school is organized.

Gary Nady: I think it is very essential to have a good parent-student-teacher relationship.

Carol Ann Gruhn: I think it is a very good thing to have so that our parents can see how the pupils and teachers cooperate to learn something.

INTRODUCING

Rosemary Bock, a blond-haired, blue-eyed, 5' 4" senior.

She is taking the college preparatory course. She says her favorite subject is English 12, because it will help her after she graduates and they talk about many interesting subjects in class. Rosemary is active in many activities such as pep squad, band, pep band, sextet, mixed chorus and glee club. She is co-editor of this year's Comet and was on the Spotlight staff for two years. She was also a homecoming attendant, and took part in the junior-senior class play last year. She is a member of Quill and Scroll. Rosemary's favorite pastime is to play the piano. She enjoys all sports but she thinks baseball and basketball are easier to understand than football, so they seem to be a lot more fun to watch. Also a person is warmer when watching baseball and basketball and therefore they are also enjoyed more.

Rosemary intends to enter nurses training after graduation, probably In Carroll. Good luck in everything you do!!!

LARGE PEP MEETING

A large pep meeting was held for the Manilla game. It was opened by a few yells by the cheerleaders followed by talks from Russell Spies and Phyllis Genzen. A skit was given by Phyllis Zerwas, Barbara Knaack, and Shirley Watson, showing how Manning was going to fool Manilla. The sextet sang two numbers with the student body joining on the last chorus. A football song to the tune of "I Don't Want to Play in Your Yard" was given by Mary Lou Foley and Rosemary Bock. The kids showed a lot of spirit both at the pep meeting and the game ("Thanks a lot, kids.") The meeting was closed with the "Loyalty!"

MANNING VS. MANILLA

Manning beat Manilla Friday night in the final game of the season 21-14, The Bulldogs displayed some of the best football they have played all season in turning in their third victory. Manning's first touchdown was made by Roger Nielsen and Deanes Rowedder kicked the first of his three extra points. Manilla came right back to score twice and lead at the half 14-7. Manning made two touchdowns in the last half. One was made on a line plunge by Roger Vollstedt and the other on a run by Roger Nielsen. Manning ended the current season with a record of three wins and six losses. By Gene Martens.

AL BELL'S VISIT TO CENTRAL AMERICA

Al Bell from Des Moines, entertained the entire student body of the Manning schools on Thursday morning, November 8.

He told of the many interesting places and things which he saw while visiting in Central America last summer. The five places which he visited were Guatemala, Costa Rica, El Salvador, Nicaragua and Honduras.

During the program, a movie was shown of the tour which Al Bell and his son Butch took. It viewed many interesting places and showed the procedure of preparing the land, planting and raising corn in Central America.

They do all their work with oxen and once in a while they use horses, but few people in Central America have horses. This was a very interesting program and was enjoyed by all of the students as well as the faculty. By Phyllis Genzen.

MANNING SCHOOLS DATE BACK TO 1881

The history of the Manning public schools begins way back on November 20, 1881. Benjamin I. Salinger was the first teacher and commenced the first term with an enrollment of 61 pupils. The room used was the back half of Callimore's building, located on the ground floor, and rented for one year.

The first graduating class from Manning high school consisted of one boy and eight girls in 1888. They were William Miller, Mabel Benson, May Lundy, Mary Ferguson, Blanche Patton, Lizzie Dalliner, Effie Lathrop, Eva Kuhn, Ora Evans.

The first election of the district was held on March 13, 1883, and resulted in the following persons being elected to serve on the school board: Val Roush, C.M. Failing, Luman Putman Brigham, John Hoffmann, John S. Ferguson and P.A. Emery.

After having engaged teachers for the ensuing year, 1884, the school board proceeded to take measures toward the erection of a good school building. A stipulation of the contract was that the building should be completed and ready for occupancy by October, 1883. The enrollment of the school was now 159 pupils.

In 1898 the enrollment was 302 pupils. A petition at this time asking for a new brick school building was refused because plans were being made to enlarge the present building. The old stoves were removed and a new heating system was installed, while the rooms were remodeled and refitted, and the entire building was repainted and put in good order generally.

The enrollment of Manning public schools for 1951 is 502 pupils. The faculty consists of 25 members. The 1952 graduating class consists of 42 members. By Joyce Stuhr.

WHAT EDUCATION WEEK MEANS TO A STUDENT

Manning, Iowa November 14, 1951. Miss Adele Gray

Editor of The Spotlight

Manning High School

Manning, Iowa.

Dear Adele:

Last week when you gave me this assignment, an article entitled "The Significance of American Education Week to a High School Student"; I really began to wonder just what the most important aspect was.

I know that Education Week is an observance held in November each year to acquaint the public with the work of education and the problems of training children for effective citizenship. Each day is devoted to one of the following; health, home and school relations, school opportunities, citizenship and community relations.

It isn't how much you know that counts, but what you can do with what you know; for ideas are such funny things. They never work unless we do. Therefore, I believe Education Week should be a week filled with opportunities for the high school student. The opportunity to express untold gratitude for the privilege of attending a free school in a free nation. To be thankful for the opportunity of selecting your subjects and planning your future life's work. The given opportunity of having several teachers who add that touch which gives the work we do in school meaning and significance and remind us that the most effective method of teaching is through the application of principles learned. All this is education, that is both useful and cultural, the extra opportunity of school activities which enables us to make new friendships, meet new personalities and visit different communities. During Education Week parents of students should have the opportunity to visit school. Our high schools are what the patrons are willing they should be. Visiting school, getting acquainted with the teachers and otherwise taking an active interest in school is a far more effective way to raise its standard to what they want it to be than merely talk about it to people with no authority whatsoever.

And last, but not least, there is the challenge of opportunity. It is all about us. Everyday has a challenge and every age has its frontier. There is always room at the top. There is not a single word in our immortal Declaration of Independence that guarantees us anything. Those great instruments of government speak entirely in terms of opportunity. May we have the wisdom to treasure these riches and not squander them.

I truly hope that I have informed you just what American Education Week means to me.

Very sincerely,

ALICE AHRENDSEN.

The train came to a sudden stop, jerking the passengers around. "What has happened, conductor?" cried Miss Barbara Bovenmeyer.

"Nothing much," said the conductor. "We hit a cow,"

"Oh," said Miss Bovenmeyer, "was it on the tracks?"

"No," replied the disgusted conductor, "We chased her into a barn."

SUPER SNOOPER

It seems that Leon Hugeback likes to go to out of town games a lot. How about that, Leon?

What's the gathering in the halls these days? Could it be because Deanes Rowedder is taking subscriptions for the annual?

What makes a certain sophomore girl's eyes light up when a certain junior passes by? How about it, Kay Eckholdt?

It seems that Miss Myra Hamann has trouble keeping the boys in her economics class awake. Is it because of the night before, Russell Spies?

Dick Zerwas sure can't wait until dismissal time, so he can talk to that junior girl. Is that true, Donna Spies?

We wonder why Raymond Christensen didn't get on A in economics one Monday morning. If you'd rally like to know, ask Miss Hamann.

Darlene Loneman seems to be very happy these days. Could it be because a sailor is home, Darlene?

Some Manning girls began the football battle Thursday night. For more information see Rosemary Bock, Cheral Andresen, Genelle Kruse, Joyce Stuhr and Lois Struve.

Gary Nady: "Was I driving too fast?"

State Cop: "Heck, no! You were flying too low."

(Kenny Graves and Barbara Knaack were out driving.) They came to a quiet spot on a country road and the car stopped.

"Out of gas," said Kenny. Barbara then opened her purse and pulled out a bottle.

"Wow!" said Kenny. "A bottle - What is it?"

"Gasoline," replied Barbara.

SPOTLITE ON THOUGHTS

Women excel more in literary judgment than in literary production - they are better critics than authors

The bold defiance of a woman is the certain sign of her shame when she has once ceased to blush, it is because she has too much to blush for. Talleyrand. Congratulations Miss Phyllis Porter.

That's quite a diamond you are wearing. We all wish you all the happiness you deserve.

By the looks of Allen Jensen's eye, Janice Popp must be pretty rough on him. Better not hit quite so hard next time, Janice!

Genelle Kruse acquired a new ring at Christmas time. It's the wrong color, but she's wearing it on the right finger. You may draw your own conclusions.

If Allan Eich wants to know where his class ring is, he'd better look on the ring finger of a certain freshman girl.

Ruth Schmidt must have a collection of male admirers. Where did you get the wrist watch, Ruth?

Alice Ahrendsen and Loyce Frank have been attending some shows in Carroll lately. The fellows were from Dexter, weren't they, kids?

Russell Spies seems to know all about the vital business fundamentals. This is due to the fact that Millie Vennink attends the Commercial Extension in Omaha. Marlene Nulle is receiving some long letters from Bob Joens. He must have a lot to tell her. Wonder what it is?

Larry Kasperbauer and Shirley Ruhde are still getting along pretty well, according to the latest reports.

Cheral Andresen had some parties during the holidays. Had snoopie been there this column would be much longer. Snoopie and Company.

BAKE SALE JANUARY 19

Bake Sale January 19

The Junior class is sponsoring a bake sale January 19 at Struve's garage. They will have a lot of good things to eat.

TEEN CHATTER

Wallace Schroeder: You sure drive well. Louise - you handle that car like a veteran."

Louise Mohr: Thanks Wallie, but how do you know? Did you ever see me handle a veteran?"

Miss Myra Hamann: "Jackie, don't you know Lincoln's Gettysburg Address."

Jack Warner: "I didn't even know he lived there."

Merle McKim had been out hunting when he was thrown over a fence by an enraged bull. H had just recovered when he noticed the bull pawing the ground and tossing his head.

"If it wasn't for your bowin' and scrapin'," said Merle, "I'd think you threw me over on purpose."

Lois Anthony: "I'm forgetting men."

Alice Ahrendsen: "So am I. I'm for getting a couple of them as soon as we can."

Norman Andresen: "I'm afraid Leon Hugeback will be in the hospital a long, long time."

Bob Grundmeier: "Goodness, did you see the doctor?"

Norman: "No, I saw the nurse."

Gwanetha Horbach's main interest next year will be climbing the social ladder - lad by lad!!

DECLAM WORK BEGINNING

With the declamatory contest approaching, all students going cut for extra curricular activity are studying hard in order to have their selection memorized by January 29. This year there are many more contestants than in previous year with 22 freshmen, three sophomores, five juniors and three seniors.

Those participating in oratorical are Janis Groteluschen, Patty Kasperbauer, Susan Brandt, LaRue Hodne, Richard Mullenax, Phyllis Zerwas and Shirley Watson; dramatic Rosemary Bock, Bonnie Brus, Doris Christensen, Patty Kasperbauer, Judy Vollmer, Alice Ahrendsen, and Loyce Frank. "U.N. DAY" OBSERVED

Wednesday morning, October 24, the day designated as United Nations day, the student body met in the auditorium. Other speakers were Dick Zerwas, Roger Nielsen, Louise Mohr and Patty Kasperbauer who reported on the origin, duties and accomplishments of the United Nations. Genelle Kruse gave a book report on "Partners: United Nations and Youth" by Eleanor Roosevelt and Helen Ferris.

Now that it is fall, I wonder who's falling for who? How about you, Gene Martens?
And what about Allan Eich?

"You're Just In Love"

I wonder why Bob Hansen and Dick Zerwas were late for band? Why don't you arrange this chore for an earlier time, boys?

"I'm Late"

A young girl may be right when she thinks no boy is good enough for her. But more often she is left.

"Vanity"

What's this we hear about some certain junior girls starting a ring fad????

"Put that Ring on my Finger"

Joleen Klocke was having trouble in Mr. Melvin White's class the other day but it wasn't Mr. White or Latin this time. Was it, Joleen???

"I'd Be Lost Without You"

In the old days students brought apples to their teachers in hopes of getting better grades, but something new has been added. You must bring squash now."

She had been in the pep squad for three years and a member of girls' glee club since her junior year.

When asked what her favorite pastime was, she said going to the show, riding a bicycle, skating, and dancing. Her favorite sport is basketball because it is played indoors and is easier to understand. After graduation she would like to go to Des Moines or Carroll and take nurse's training. Good luck to you, Ella Mae!

QUESTION OF THE WEEK

What did you enjoy most at Homecoming and why?

Mardel Bonnesen, Winning the game and the dance afterwards; also the pretty floats.

Shirley Watson, I enjoyed the parade, all the floats were very good and showed all the hard work put into them. I also enjoyed the dance. It was well attended.

Richard Rix, I thought the game and the dance were the most fun. The floats the most work; they were all very good.

Marlene Nulle, I liked the crowning of the queen and the homecoming dance after the game. We had excellent attendance at the dance this year. Everything turned out swell with the Bulldogs pulling through for a victory.

Preference Tests Taken

Last week the seniors took the Keeder Preference test. The test has no right or wrong answers so the students couldn't fail in it. The test is to help the person know the fields in which he is most interested in. There are nine classifications of interests: mechanical, computational, scientific, persuasive, artistic, literary, musical, social service, and clerical. After the tests were scored the students were shown a list of occupations that applied to the classes in which their scores were highest. Some of the girls were rather surprised to find that they had mechanical interests.

EDITORIAL!

Success without culture is like strawberry short-cake without the whipped cream. It has no flavor. There are certain social formalities that bespeak the true lady,

and the true gentleman. Some of us call it good form. Some of us call it culture. Some of us would call it etiquette. But most of us will admit that it makes the world a better place to live in. Perhaps you have heard the story of the "gentleman" who prided himself on excelling in the art of etiquette. On one occasion he passed a lake and heard a drowning man call for help. Quickly he threw off his coat and was about to plunge into the water when suddenly he remembered that he had never been introduced to the struggling victim. Putting on his coat again, he proceeded on his way quite self-satisfied. This is an instance where common sense would have been the best example of good etiquette. The purpose of correct manners is not to be able to strut about in society and command the admiring glances of the people around us. The true service of etiquette is to strengthen and simplify the social life so that we are able to do what is correct and right without stopping to think about it. So everybody try to be as successful as their culture will allow. By Cleone Schroeder.

SIXTH GRADE

The following articles were written by members of the sixth grade to their own newspaper.

The Sixth Grade is studying about the Old Stone Age and they are doing some remarkable things. There are two groups working with clay. They are making bowls. The teacher brought a bowl which she made of clay. After it was finished it was baked hard.

There are some people who brought gourds and they have bowls, bottles and water containers. Then in the last group, the pupils are making baskets of all shapes and sizes. One has a narrow neck and a large bottom, one goes up like a peak, and there are many others.

The sixth grade has discovered from this work how lucky we are to live in this modern world of ours, for the pupils who wove baskets, made pottery, and made things from gourds found out how hard it was to do. By Wesley Cooper.

In reading we are making movies of some of the stories we have read. They are made of three things; broomsticks, wall-paper, and cardboard boxes.

This is how we make them. First we draw the pictures on the wall paper to tell the story. Then we make slits in the sides of the box and a large opening in the front. We will fasten one end of the wallpaper to one broomstick. The other end we will put through the slit. Then we will fasten it on the other side to another broomstick. Two people will tell the story while two turn the broomsticks so that the pictures change.

After we show them to our class, we will show them to the other classes.--by Marilyn Bogatzke.

TEEN CHATTER

Allen Jensen: "I'm afraid that car doesn't suit us. My fiancée cannot reach the brakes and the steering wheel at the same time."

Salesman: "Sir, the car is perfect. I suggest you try a new girl."

Ruth Schmidt married a professor in the middle of her second year at college.

"But, dear," protested Patty Kasperbauer when she announced the engagement.

"I thought you came to the university to get your Ph.D."

"So I did," Ruth replied, "and I had no idea I'd get him so soon."

Dick Zerwas: "Why does a woman say she's shopping when she hasn't bought anything?"

Donna Spies: "For the same reason a man says he's been fishing".

In the parlor there were three

The girl, the parlor lamp, and he

Two is company, no doubt

That is why the lamp went out.

"Excuse me, sir," said the charity worker to Dick Zerwas, who was in a shiny convertible. "Would you care to help the Poor Girls' Home?"

"I should say I would," Dick replied. "Where are they?"

Mathematics Teacher: "Now, if I lay three eggs here and five eggs over there, how many eggs will I have?"

Pete Petersen: "Well, to tell you the truth, I don't believe you can do it, sir."

"You, down there!" shouted Rosemary Bock's father from the head of the stairs.

"It's after midnight. Do you think you can stay all night?"

"Gosh, thanks," answered Roger Nielsen. "I'll have to phone home first and ask."

Coach Gillespie put up a notice for the first football practice of the season, and at practice Willis Kruse proved to be the fastest runner of them all. Coach called him over to the bench and asked him how he had learned to run so fast.

"We used to live in Texas," explained Willis, "and I used to catch Jack rabbits on my father's ranch."

"That's an oldie," smiled Coach. "A lot of fellows here say the same thing, but they're not so fast as you."

"Well, my dad was pretty fussy about the rabbits he ate," Willis continued. "I not only had to chase 'em, I had to run alongside of them to see if they were fat enough for Dad before I caught 'em."

The doctor's waiting room was full. Every chair was taken; some patients were even standing. There was a desultory conversation, but after a while silence fell. The patients waited. Finally, an old man stood up wearily and remarked. "Well, I guess I'll go home and die a natural death."

A little boy ended his prayer one night saying, "Good Night, dear Lord, take care of yourself because if anything happens to you we will all be sunk."

Miss Myra Hamann: When was Rome built?

Roland Valentine: In the night.

Miss Hamann: Why do you say that?

Roland Valentine: Because you said that Rome wasn't built in a day.
